CHAPTER 1 - INTRODUCTION

CHAPTER 1 - INTRODUCTION TO THE WOMEN'S PROGRAM

The purpose of the Women's Program of USA Gymnastics is to promote, serve, and administer the official gymnastics program for girls and women of all levels of ability throughout the United States. This shall be done by:

- ⇒ Carrying out the purposes and objectives of USA Gymnastics.
- ⇒ Providing for the expansion and improvement of gymnastics programs through the training and certification of judges and the education of qualified instructors to conduct appropriate gymnastics programs.
- ⇒ Organizing competitions for girls and women of all ability at local, state, regional, and national events.
- ⇒ Providing for the technical organization and development of specific guidelines, rules, and policies, and providing a network of communication necessary for the implementation of these objectives.

Interpretation of this publication is the expressed duty and responsibility of the Women's Program Committee and the President of USA Gymnastics.

VOLUNTEER LEADERSHIP STRUCTURE IN THE WOMEN'S PROGRAM

The USA Gymnastics Women's Program operates with a volunteer-based leadership structure at the state, regional and national levels. This structure plays a critical role in ensuring the efficient and effective delivery of program information and support to members across the country.

PURPOSE AND IMPORTANCE

Volunteer leaders—including State and Regional Administrative Committee Chairs and other appointed roles—serve as the primary points of contact for members in their respective areas. These individuals are experienced professionals who possess in-depth knowledge of local gymnastics environments.

This decentralized leadership model is essential for the following reasons:

- **Local Relevance:** Volunteer leaders provide guidance that is tailored to the specific needs and circumstances of their state or region.
- **Timely Communication:** Having designated contacts across all areas of the country allows members to receive prompt and accurate responses to questions and concerns.
- **Program Consistency:** Volunteer leaders are trained to implement USA Gymnastics policies uniformly, ensuring national consistency while addressing regional variation.
- **Operational Efficiency:** The use of local leadership supports more responsive decision-making and program delivery, reducing delays in communication or support.

MEMBER GUIDANCE

Members are encouraged to direct questions or requests for clarification to their **State or Regional leadership** before contacting the national office. Doing so ensures that inquiries are addressed by individuals most familiar with the relevant policies, procedures, and local considerations.

This structure enhances the overall effectiveness and responsiveness of the Women's Program and reflects USA Gymnastics' commitment to member service and community engagement.

Throughout this document are references to different volunteer leadership positions as outlined in the [Women's Program Operating Code](#). Please refer to the [Operating Code](#) for further clarification on duties and responsibilities of each position.

CHAPTER 6 – MEET OFFICIALS

CHAPTER 6 - MEET OFFICIALS

Consistent with the provisions of the Amateur Sports Act of 1978, the United States Olympic Committee has designated USA Gymnastics as the National Governing Body (NGB) for the sport of gymnastics in the United States. As reflected in its Articles of Incorporation and its conduct under those Articles, USA Gymnastics' responsibilities for governing the sport of gymnastics include the regulation of matters relating to the training, testing, certification, and assignment of judges for gymnastics competition conducted or sanctioned by USA Gymnastics.

I. CONTRACTING OF OFFICIALS

To ensure properly rated officials at all sanctioned events, officials may be contracted through a designated and approved contractor.

- A. Meet hosts of Invitational competitions or any meets that are not under the organizational jurisdiction of the SAC may use the state-approved contractor or may contract the officials directly using a USA Gymnastics contract.
 - The Meet Director may also request specific judges (by name or by ratings) when they submit a "Request for Judges" form to the state approved contractor. The Request for Judges Form is available on the USA Gymnastics website under Women's Program – Forms – Meet Forms or from the SACC or the NAWGJ State Judging Director.
- B. SACs shall determine their officials' contractor and/or assigner to be used for meets that are conducted under the organizational jurisdiction of the SAC.
- C. RACs shall determine their officials' contractor and/or assigner to be used for meets that are conducted under the organizational jurisdiction of the RAC.
- D. USA Gymnastics criteria for selection of officials must be followed.
- E. The Meet Director must complete a "Request for Judges" form and send it to the Contractor, with payment of \$5.00 for each official contracted, by the deadline designated by the SAC.
 - If the request is received less than 30 days prior to the competition, the fee is \$7.00 for each official contracted. Assignments for such late requests will be based on availability since there may not be enough certified officials available. Forms can be found on the USA Gymnastics website or contact the SACC.

F. MODIFICATIONS

If any conditions on the contract are altered, it is the responsibility of the Meet Director to contact the individual judge(s) and the contracting official and provide that information to both parties. Additional days or sessions are considered "non-contractual" and could result in the judge voiding the contract.

- Additional assigning fees of \$1.00 per judge may be charged by the contracting official if called upon to notify the judges of any changes.

G. CANCELLATION

If the contract obligations are not fulfilled by either party because of extenuating circumstances, no mandatory penalties will be applied to either party. Example: Inclement weather (prohibiting travel), grave illness or public health emergency.

- When inclement weather exists (weather which delays or prohibits safe travel for the judges), the Meet Director is responsible for the judges' lodging and meals. Judges will be accommodated with minimal expense and could be lodged in private homes with food provided. Hotel rooms are compensated ONLY if approved by the Meet Director.

1. Failure to comply with the contractual agreement will result in the following:

a. ON THE MEET DIRECTOR'S PART:

- 1) A minimum of 14 days' notice is required for amendments or cancellation of officials. If cancellation of officials occurs less than 14 days prior to the meet and the officials are not re-assigned to another competition, the Meet Director is responsible for payment of 2 hours honorarium per judge and any non-refundable expenses incurred.
- 2) Regardless of the timing of the cancellation of the meet, if the judge has purchased a non-refundable airline ticket, the Meet Director is responsible for reimbursing the judge for the "change fee" charged by the airlines to use the ticket for a future flight. To receive future credit for the canceled flight, the judge must contact the airlines PRIOR TO THE SCHEDULED DEPARTURE to cancel the originating flight and must rebook a flight within one year of the DATE OF ISSUE of the original ticket by providing the ticket number. If the ticket is not canceled prior to the scheduled departure, it becomes null and void.

b. ON THE JUDGES' PART

- 1) If a judge is unable to fulfill a contract due to personal reasons, she is obligated to contact the assigner to determine which officials may still be available and call a proper replacement. If she fails to contact the assigner or does not give a minimum of 14 days' notice to the assigner and/or the Meet Director, a penalty of 2 hours honorarium and any non-refundable expenses incurred by the Meet Director will be paid to the Meet Director by the judge.
- 2) Regardless of the timing of the cancellation on the part of the judge, if the Meet Director has purchased a non-refundable airline ticket, the judge is obligated to contact the airlines PRIOR TO THE SCHEDULED DEPARTURE to cancel the originating flight and to then reimburse the Meet Director for the cost of the ticket. The judge is then able to use the credit (minus a "change fee") to purchase another airline ticket for themselves within one year from the DATE OF ISSUE of the original ticket by providing the ticket number. If the ticket is not canceled prior to the scheduled departure, it becomes null and void.

 - a. Affiliated judges may be assigned as a Chief or Panel judge.
 - b. If any of the Chief Judges are affiliated, the Meet Director must list the judges (and their affiliation) on the pre-meet information.
3. For meets using one-judge panels, an affiliated judge may be assigned ONLY when there are not enough non-affiliated judges available and only with the approval of the RTCC.
 - a. If the RTCC is affiliated and must be assigned, approval must come from the SAC.
 - b. An affiliated judge may be assigned to a one-judge panel for Development Program Level 1 and 2 and Xcel Bronze and Silver Divisions.
4. If the club with which the judge is affiliated is not participating in the meet to which the judge has been assigned, he/she is NOT considered affiliated at that meet.
 - a. If the meet format has separate team and individual awards per session, then a judge would be affiliated only during the session(s) in which the club/team that he/she is affiliated with is competing.
 - b. If there is an overall team award for the same levels at the end of the entire meet, the affiliation rules apply for the entire competition.

- B. The assignment of all judges will be made according to the *Women's Program Rules and Policies*, USA Gymnastics Technical Committee criteria for selection and the philosophy as defined herein.
- C. Geographical representation is not required but may be considered in all selection of officials. (See specific competitions).
- D. It is permissible to assign judges from adjacent or neighboring states and/or regions, if necessary, to obtain the desired number and appropriately rated judges at minimal cost.
- E. To be considered for an assignment, all judges **MUST** be:
 - 1. Current USA Gymnastics Women's Program members serving in a judge role.
 - 2. Certified and actively judging at the level of meet to which they are assigned.
 - If all local judges with the proper rating have been asked and there are not enough properly rated officials available to judge on a specific date, and the format of that local or sectional meet cannot be adjusted to allow the gymnast to be judged by properly rated officials, the assigner uses the following guidelines to assign the meet:
 - a. Notify the Meet Director and give them the option of securing properly rated judges from outside their geographic area (or state).
 - b. If the above option is not financially feasible, the assigner must notify and receive approval from the RTCC to assign a judge at the next lower level, giving priority to the following:
 - 1) 1st – a judge who has taken and passed one part of the accreditation exam for the next level.
 - 2) 2nd – a judge who has taken the next level exam but has not yet passed either part.
 - c. It is recommended that any judge assigned to judge a level higher than the rating held should be assigned to Vault.
 - d. Compulsory meets: Current optional only rated judges are allowed to judge compulsory Vault **ONLY** if there are not enough available compulsory rated judges, provided that the RTCC has given permission.
 - 3. Able to annually maintain his/her USA Gymnastics Continuing Professional Education (CPE) requirements (see chart).
 - a. If a judge has not completed his/her CPE requirements by **July 31st**, he/she **CANNOT BE ASSIGNED** to any USA Gymnastics sanctioned competition until such time that they submit the completed annual CPE form.
 - b. Some states may have trouble in securing enough officials who are current with CPE requirements to staff a specific competition. If there is an absolute necessity to assign a judge who is delinquent in completing his/her CPE requirements, the judge may be assigned; however, that judge's compensation will be reduced by \$5.00 per hour.
- F. Priorities for assigners after August 1 of each year:
 - 1. Assign properly rated judges
 - a. 1st - those who have completed annual CPE requirements.
 - b. 2nd - if not enough of the above are available, assign those who have not yet met their CPE requirements.
 - 2. Only after all possibilities of the above have been exhausted, may the assigner request permission from the RTCC to allow a judge with one rating lower to be assigned.
- G. Holding a specific rating does not insure a judging assignment. Once the availability of judges has been established, the assigners must consider:
 - 1. Requests by the Meet Director for specific judges or specific ratings.
 - 2. The minimum rating required to judge the specific meet.
 - 3. Geographical location of the meet. Attempts should be made to keep the travel costs at a minimum for the Meet Director.
 - 4. When assigning judges to a competition with multiple days, assigners are encouraged to change the events each day provided the meet has a separate awards ceremony for each session.
- H. **LOCAL, PRE-SECTIONAL AND SECTIONAL MEETS:** At local, pre-sectional and sectional meets, the assigning official may make the event assignments. Criteria for assignment of judges must be followed.
 - 1. The SAC determines the judging criteria (panel size) for DEV Levels 1-5 and Xcel Bronze - Gold.
 - 2. When designating the Chief Judge positions for sanctioned competitions, rating and longevity do not necessarily determine assignment as Chief Judge. Reference the chart later in this chapter for the minimum rating required.
- I. **STATE:** The SAC selects the officials for State Championships. Meet Referee, Chief Judge and Panel Judge assignments to specific State events are the responsibility of the SAC. It is strongly recommended that the SAC ask the assigned Meet Referee to make the Individual Event Assignments.
 - 1. Each SAC member must submit their recommendation in rank order (or groups in rank order) to the SACC **and one additional elected SAC member as designated.**
 - 2. Rotation of the recommended officials is encouraged but not required.
- J. **REGIONALS:** In consultation with the RACC and the RTCC, the RAC selects the officials for Regional Championships. **Meet Referee, Chief Judge and Panel Judge assignments to specific Regional events are the responsibility of the RAC.** It is strongly recommended that the RAC ask the assigned Meet Referee to make the Individual Event Assignments.
 - 1. Each SAC must submit their recommendations in rank order (or groups in rank order) to the RTCC and RACC.
 - 2. Rotation of the recommended officials is encouraged but not required.
- K. **LEVEL 9 EASTERN/WESTERN CHAMPIONSHIPS, LEVEL 10 NATIONAL CHAMPIONSHIPS AND NATIONAL XCELEBRATION** assignments will be made by the NTCC, in consultation with the Women's Program Technical Director after reviewing the regional recommendations.
 - 1. The RTCC must submit their RAC's recommendations in rank order (or groups in rank order) to the NTCC and the Women's Program Technical Director no later than **November 1.**
 - 2. Rotation of the recommended officials is encouraged but not required.

CHAPTER 6 – MEET OFFICIALS

L. DEVELOPMENT PROGRAM and XCEL COMPETITIONS

All judges for the following competitions must possess a current judging certification at the level/division to which they are assigned. All judges assigned to Development Program State, Regional, Eastern/Western and National Championships or Xcel State and Regional Championships and **National Xcelebration** shall have been actively judging within the corresponding Development Program level (Compulsory or Optional) or Xcel division during the competitive season and shall be current members of USA Gymnastics with current Safety/Risk Management Certification and, for those who are 18 years and older, a Criminal Background Check, U110 Safe Sport Certification and U113 Safe Sport Policy Course completion. To be assigned to a sanctioned competition, all judges must be current with all USA Gymnastics Continuing Professional Education (CPE) requirements.

M. SELECTION FOR ELITE COMPETITIONS

1. The Judges' Selection Committee (JSC) is responsible for judge's assignments to Elite National Competitions (Classics, Championships, Olympic Trials, Pan American Trials, and World Championship Trials), Hopes Classics and Championships, as well as international judging assignments. The JSC consists of the High-Performance Lead, International Elite Committee Chairman (IECC), and a FIG Brevet Judge appointed by the IEC.
2. All Elite National competitions (National Qualifying Meets, Classics, Championships, Olympic Trials, Pan American Trials, and World Championship Trials) and Hopes Classics and Championships are under the technical jurisdiction of the USA Gymnastics National Office and the International Elite Committee (IEC).
3. All judges for Elite and Hopes Optional competitions must hold a current FIG-Brevet rating.
4. Judges assigned to a Compulsory National Qualifying meet must hold an Elite Compulsory rating, as well as a current FIG or USA Gymnastics Brevet or National rating.
5. Judges assigned to a TOPS skill testing must hold a current Level 10, National, USA Brevet or FIG Brevet rating and must have completed the TOPS Judges' Certification Course (WTJC).
6. Judges for Optional Competition at National Qualifying meets:
 - a. All judges must come from the pool of selected FIG-Brevet officials established by the IEC.
 - b. Judges for National Qualifying meets conducted by the National office will be assigned by the JSC.
 - c. Judges for National Qualifying meets conducted in conjunction with Invitational competitions will be selected by the Meet Director, according to the guidelines established by the IEC and with the approval of the USA Gymnastics Vice-President of Women's Program.
7. USA Championships/Classic Competitions:
 - a. All judges must come from the pool of selected FIG-Brevet officials established by the IEC.
 - b. Selection and event assignments will be made by the JSC.
 - c. Technical questions will be addressed by the Vice-President of Women's Program, the IECC, or their designated replacement.
 - d. A Video Review Panel will be used for Classic and above competitions and will consist of experts selected by the IEC.

VII. JUDGE ACCREDITATION / CERTIFICATION

"Judges' Accreditation" is the name applied to the certification process, which is a part of USA Gymnastics University. The Continuing Professional Education (CPE) system will be implemented as listed below:

- A. Annual CPE credits are required to be assigned to judge any USA Gymnastics competition.
- B. The accreditation year is **August 1 - July 31**. A CPE annual report form is due by May 31st of each year.
- C. CPE credits will be calculated in actual clock hours (hours involved in the activity).
- D. The rating a judge holds on **July 31** of each year determines the number of CPE hours required for the next accreditation year. Entry level judges attaining their rating after the start of the accreditation year are not required to report CPE hours until the following accreditation year. All CPE hours accumulated during that time may be used to fulfill the CPE requirements.
EXAMPLES:
 1. If an individual achieved a Compulsory rating for the first time prior to **August 1**, the CPE requirements are due by May of the following year. If this individual upgrades their rating to 6/7/8 after **August 1**, they are only required to fulfill the CPE hours required of a Compulsory rated judge, as that was their rating as of **July 31**.
 2. If an individual achieved a Compulsory rating for the first time on or after **August 1, 2026** the CPE requirements are not due until **May of 2027**, since he/she had no rating as of **July 31, 2026**.
- E. USA Gymnastics and NAWGJ elected officers (State, Regional and National Chairman/Directors) are exempt from CPE requirements for the years in which they hold office. Also exempt are Women's Program National office staff and national coaching staff.

CHAPTER 6 – MEET OFFICIALS

F. REQUIRED ANNUAL CPE HOURS CHART

Highest Rating Held	Total CPE hours needed per Accreditation Year	Minimum # of Clinic CPE Hours required as part of the yearly total	Maximum # of CLINIC hours allowed to carry forward to the next Accreditation Year after the annual total has been met.
Xcel B/S/G (X1R)	12 hours	6 hours	2 hours
Xcel ONLY (XR)	16 hours	8 hours	3 hours
Level 4/5	12 hours	6 hours	2 hours
Level 8	12 hours	6 hours	2 hours
Level 9	16 hours	8 hours	3 hours
Level 10	20 hours	10 hours	4 hours
National	20 hours	10 hours	4 hours
Brevet	20 hours	10 hours	4 hours

1. A **MINIMUM** of ½ of the required Clinic hours/credits **MUST** be earned at **IN-PERSON** CPE-approved clinics.
2. A **MAXIMUM** of ½ of the required Clinic hours/credits **MAY** be earned by:
 - a. Attending LIVE VIRTUAL (not recorded/archived) CPE-approved clinics, and/or
 - b. Completing USAG University Online Judges courses.
 Note: Clinicians also receive Clinic hour credits when teaching at such events. Clinicians at Regional or National Education receive an additional 2 credit hours for preparation time for every one hour of lecture.
3. **IN-PERSON** CPE Clinic hours: Can consist of in-person CPE-approved State, Regional, or National organized events, such as Congresses, Clinics, Courses or Symposiums. These events **MUST** be publicized in advance and open to all judges in the state, region, or nation, as applicable. (Exception: eligibility requirements must be met for National/Brevet judges' courses.) Judging or coaching sessions will be designated as "approved for CPE".
4. **VIRTUAL/ONLINE** Clinic/Course hours can consist of:
 - a. **LIVE** (not recorded) CPE-approved VIRTUAL Clinics/Symposiums/Congresses.
 - 1) Clinic organizers **MUST** receive CPE Clinic approval prior to advertising the event for "Clinic" credits.
 - 2) Communication between the clinician and the registrants is required for these types of education functions to count for Clinic hours.
 - 3) A list of participants must be reported to USA Gymnastics Women's Program Technical Director at the conclusion of the event.
 - 4) Archived USA Gymnastics webinars are **NOT** eligible to fulfill any CPE Clinic hours.
 - b. **USA Gymnastics University Online Judges Courses**
 - Only online judges' courses for which you must register with USA Gymnastics will be eligible for Clinic hours/credit.
5. If more than ½ of the required clinic hours are earned from online clinics/courses, the extra hours may be applied to the miscellaneous category, if necessary, to meet their total required CPE hours.
6. If a judge has more total credits than necessary for their rating, and they have more than the necessary CLINIC hours/credits for their rating, the extra clinic hours can be carried forward (a maximum number of credits designated by rating). The judge must indicate on their Annual CPE Report Form the specific number of Clinic hours carried forward from each category (in-person or live virtual/USAG Online Courses).
 - Example: A Level 10 judge must earn a minimum of 20 CPE hours/credits, with a minimum of 10 CPE hours earned by attending CPE-approved CLINICS (no more than 5 live virtual or online USAG University Judge Courses can be used to fulfill the total Clinic hours; the other 5 must be from attending in-person clinics). If 9 in-person clinic hours and 5 Live virtual are earned, plus 10 miscellaneous credits, then 4 in person clinic hours are carried forward.
7. Judges should retain their CPE clinic forms for documentation, with a copy of the Annual Report Form.
8. All clinics eligible for CPE Clinic credit require pre-approval from the appropriate State or Regional USA Gymnastics and NAWGJ officers by submitting the Clinic Approval Form a minimum of 3 weeks prior to the clinic. USA Gymnastics and NAWGJ officers must return a copy of the signed Clinic Approval Form to the USA Gymnastics National office. CPE-approved clinics require a sanction (only if athletes are involved) and once submitted to the National office, are posted on the [Judges home page](#) (select CPE Clinics).
9. It is the responsibility of each judge to pre-print the CPE Clinic Credit form prior to attendance at a pre-approved clinic session. Judges must present the CPE Clinic Credit form for a signature at the conclusion of the clinic or following each session at multi-track Congresses/Symposiums. Clinical CPE activities are to be recorded on a [Clinic CPE credit form](#), which can be found online under Women's Program-Judges-Judges' Accreditation forms.

2026 – 2027 RULES & POLICIES
CHAPTER 6 – MEET OFFICIALS

10. Annual Miscellaneous CPE credit: A maximum number of CPE hours may be acquired for the following miscellaneous activities:
- a. Coaching (6 hours) at a USA Gymnastics competitive level, to be signed by supervisor or club owner.
 - b. In-gym observation or in-gym critiquing/consulting with coaches and gymnasts (6 hours), to be signed by the coach.
 - Attendance at State/Regional/National training camps may be used as miscellaneous credit-hours; however, if there is a clinician who is specifically assigned to the judges and has an organized agenda for instruction, it may be used for clinic-hours.
 - c. Volunteering (4 hours) at a judging-related activity such as a USA Gymnastics competition or at a USA Gymnastics Congress or clinic. CPE form must be signed by the event coordinator, Meet Director, or Meet Referee. 2 of these 4 hours can come from service as a USA Gymnastics Committee member or NAWGJ Committee member.
 - d. Video or live practice judging at a level equal to or higher than your current level (3 hours). Practice judging will require pre-approval from the NAWGJ SJD and/or USA Gymnastics SACC. For pre-approval, simply send an email to the appropriate officer requesting permission. Please note that live practice judging will also require pre-approval from the Meet Director. This is done by contacting the Meet Referee for the event, NOT the Meet Director. The practice judge should come prepared with all judging materials and wear the appropriate judging uniform. Video practice judging will be recorded in hours and requires written verification from the supervising judge.
 - e. Miscellaneous CPE activities are to be recorded on the Miscellaneous CPE Credit form, which can be found online under Women's Program-Judges-Judges' Accreditation forms.

G. TRACKING CONTINUING PROFESSIONAL EDUCATION (CPE):

1. Each judge is responsible for keeping accurate records of his/her CPE activity, including documentation of attendance at the approved CPE experiences. Documentation should correspond to the hours submitted on the Annual CPE Record form.
2. The USA Gymnastics SACC will be responsible for designating a USA Gymnastics CPE Coordinator for their state. CPE Coordinators must be proficient in Excel spreadsheets. The CPE Coordinator will maintain a list of all judges in the state, the number of CPE hours they completed each year, and the number of clinical hours they will carry forward to the next year, if applicable.
3. Each judge is responsible for recording a summary of their total annual CPE hours by category, recorded on the Annual CPE Record form, and submitting their form to their respective CPE Coordinator by **May 31** of each year. The Annual CPE Record form is available online under Women's Program-Judges-Judges' Accreditation forms or may be obtained from the state CPE Coordinator.
4. The CPE Coordinator is responsible for sending a master list of all judges in their state, indicating those who have successfully completed their annual CPE requirements to the Women's Program Technical Director at the USA Gymnastics national office, their respective NAWGJ SJD & RJD, and USA Gymnastics SACC, RTCC, and RACC by **June 30** of each year.
5. If a judge does not complete all their required CPE hours within a given accreditation year, they must apply CPE hours from the successive year to make up for the hours they were lacking. When completed, they must still send the proper documentation to their CPE Coordinator, who then sends an updated list to the National Office and their respective State and Regional officers.
 - Note that CPE hours cannot be used twice, meaning if hours are being used to make up for a deficit in the previous accreditation year, those same hours cannot not be applied to the current accreditation year as well.
6. The National Office will conduct audits each year that will require randomly selected judges to submit actual documentation of their CPE, as reported to the CPE Coordinator, to the USA Gymnastics National office. Any judge who fails to provide documentation of actual CPE hours as reported will be subject to disciplinary actions.
7. Should a judge exceed the total minimum number of CPE hours required of their rating in an accreditation year, and the excess is in the category of Clinic Hours, they may carry forward the excess Clinic hours up to the maximum number of carry-over clinic hours allowed as designated by their rating. Excess miscellaneous hours may NOT be carried over.

EXAMPLE: A National judge is required to earn a TOTAL of 20 total CPE hours, 10 of which MUST be Clinic hours.

 - a. Earns a total of 24 CPE hours: 14 Clinic hours and 10 Miscellaneous hours – There is an excess of 4 clinic hours beyond the required 20 hours, so 4 clinic hours may be carried over.
 - b. Earns a total of 20 CPE hours: 12 Clinic hours and 8 Miscellaneous hours for the minimum 20 hours required of that rating. No carry-over of Clinic hours is possible since the total number of required hours for that rating has not been exceeded.

USA GYMNASTICS JUDGES' COMPENSATION PACKAGE

(EFFECTIVE AUGUST 1, 2026 - JULY 31, 2027)

VIII. NON-JUDGING COMPENSATION

A. JUDGES REPORT TIMES AND FINES

1. Judges MUST report to the judges' meeting/hospitality room 30 minutes prior to the scheduled march-in for local and invitational competitions, unless otherwise specified by the Meet Referee. Judges' compensation will begin at the scheduled report time. Any official who does not report within five (5) minutes of the scheduled report time will be compensated from the first scheduled march-in time.
2. Reporting time for those competitions requiring video analysis, which may be up to one (1) hour prior to march-in. The Meet Referee will specify the reporting time.

B. TRAVEL

1. The standard IRS rate will be paid for the entire round-trip mileage for all drivers, including those who drive to meet a carpool.
 - Judges are not required to carpool.
2. Judges are not required to submit a printed MapQuest-type documentation to be reimbursed for mileage, unless requested by the Meet Director. The Meet Referee should verify the individual judge's MapQuest electronically.
 - IRS mileage rate changes are announced in December of each year and will be posted on the USA Gymnastics website, with the new rate effective in January. Should the IRS make a rate change during the year, the new rate will be posted with an effective date.
3. Riders' fees are not paid.
4. Plane, train, or bus travel expenses (as stated on the contract) shall be paid in full by the Meet Director. The total mileage cost should not exceed the cost of an airline ticket to the same location if the Meet Director requests that the judge purchase their own airfare or other means of travel.
 - a. If the judge requests to drive, instead of fly, the Meet Director must determine the cost of the airline ticket and communicate that information to the judge for the judge to be aware of the maximum reimbursement.
 - b. If the Meet Director requests that the judge purchase their own airfare or other means of travel, the judge must communicate the cost to the Meet Director for approval prior to finalizing travel plans.
 - Travel insurance is NOT a reimbursable expense.
5. Mileage to and from the airport, tolls, airport parking, fees for one bag (but not overweight bag charges), taxi or limousine service (as stated on the contract) shall be paid by the Meet Director. These expenses MUST be listed on the contract and be approved by the contracting official to be compensated by the Meet Director. Only standard and customary expenses with accompanying receipts will be reimbursed in the actual amounts.
6. For competitions that span over 2 or more days:
 - a. If overnight accommodations are not necessary, round-trip mileage will be paid for each day.
 - b. If lodging is provided to the judges by the Meet Director:
 - 1) If a judge chooses to return home and drive back the 2nd (and successive) days, round-trip mileage will be paid ONLY ONCE, unless pre-arrangements have been made with the contracting official and the Meet Director.
 - 2) When calculating mileage for meets requiring overnight accommodations, include electronic MapQuest-type documentation of the total miles from home to hotel, to and from competition venue, and return to home.
7. No other expenses (such as baby-sitters, car repairs, car rental, reimbursement for lost salary, or other normal work-related expenses) will be paid.

C. LODGING

1. If a judge must stay overnight prior to, during or following the competition, lodging MUST be provided by the Meet Director.
2. Meet Directors are strongly recommended to provide single room accommodations when a hotel stay is required, at no additional cost to the judge.
3. The form of accommodation (double occupancy vs. single occupancy) must be specified in the judge's contract.
 - a. Accommodations based on double occupancy must provide two beds, which CANNOT include a sleeper sofa.
 - b. A judge may request single room accommodations if not provided by the Meet Director.
 - If necessary to share the cost of the room with the Meet Director, the judge will pay no more per night than the difference between the actual room rate and the current CONUS lodging rate for overnight accommodation.
4. Whenever there is an early-morning report time and/or a late finish time, it is recommended that the Meet Director provide the option for the judges to stay at a hotel. Distance and/or weather conditions should be considered.

D. PER DIEM

1. Meet Directors may either provide judges' meals or pay per diem, according to type of meet listed below.
 - a. Meals provided by the Meet Director should be nutritional and not just concession-type food.
 - b. Judges with dietary restrictions should bring their own food.
 - c. It is inappropriate for a judge to provide his/her family with meals in (or from) the judges' hospitality area.
 - d. If meal accommodations are required at the end of the competition, the Meet Director should include that in pre-meet information.
 - Judges are not expected to stay and eat a meal after the competition is over.

2026 – 2027 RULES & POLICIES
CHAPTER 6 – MEET OFFICIALS

2. Day (Local) Meets

- a. No per diem will be paid (or meals provided) for competitions that require the judge to be at the meet site for less than 3 hours unless round trip mileage is 100 miles or more. These rates are determined regardless of departure or arrival time to the judge's home.
- b. Per Diem compensation should be paid to the judges for any meals not provided by the Meet Director. \$20.00 per meal (up to a maximum of \$60.00 per day). Time begins with reporting time to include meetings and competition.
 - 1) \$20.00 Diem - When on-site responsibilities are **at least 3 hours but less than 6 hours.**
 - 2) \$40.00 Diem - When on-site responsibilities are **at least 6 hours but less than 11 hours.**
 - 3) \$60.00 Diem - When on-site responsibilities are **11 hours or more.**
 - Clarification: Reimbursement for breakfast is not considered for day (local) meets which the judge travels to and from the meet site in one day.

3. Overnight Meets

2. The daily number of paid hours is calculated from the report time to the end time of the meet.
3. For meets with 3 or more sessions PER DAY, it is recommended that judges be provided a minimum of two 30-minute break times. Meals are to be provided during breaks, when appropriate as determined by the Meet Referee, regardless of the number of sessions per day.
 - All break time will now be compensated; therefore, the judge MUST remain on the grounds of the venue.
4. Additional breaks, of any duration, may be provided between sessions throughout the day.
 - Following a meal break, judges should return to the field of play at the scheduled march-in time; however, in the case of meets at which the athletes have a timed warm-up period immediately following the march-in, the Meet Referee may make arrangements with the Meet Director to continue the break time to ensure judges' receive adequate time to eat/rest, provided that they can return to the field of play within five minutes of the start of competition.
5. At State, Regional and National competitions which require a video analysis (Base Score) in addition to the judges' meeting, the paid judging time starts with the scheduled report time, up to 1 hour prior to the scheduled march-in time.
6. A portion of the hourly rate may be broken into halves, not less. Calculate the total time at the meet, then round off to the nearest ½ hour (i.e., a total of 8 hours 15 minutes will be considered as 8 hours; a total of 8 hours 16 minutes will be considered as 8½ hours). Do not round up for each session.
7. The fee scale indicated in this document will be applicable for all USA Gymnastics sanctioned events unless otherwise specified in advance by the USA Gymnastics President.
 - All TOPS competitions will be paid according to the hourly rate.

Judges shall receive a daily or flat rate, according to ratings. The daily rate applies to all meets of more than 4 hours - up to 8 hours of actual judging time. ½ day competitions (up to 4 hours of actual judging time) will use the ½ day rate. Only for DEV / Xcel Regional meets that utilize a 4-judge panel, any additional time over 8 hours/day will be compensated at the regular hourly rate.

1. Judges' fees to be calculated by:
 - a. Calculate first the total time at the meet (report time to end of competition for the day)
 - b. Deduct 8 hours, which are paid by the daily rate.
 - c. Any excess hours are paid using the regular hourly rate.EXAMPLE:
 - 1) Report time - 8:00 AM, 3 sessions (2 breaks), meet ends at 10 PM = 14 hours
 - 2) 8 hours to be paid at daily rate, 6 additional hours to be paid at regular hourly rate for specific rating.
- d. The meet is complete when all scores are entered, and any inquiries settled.
2. STATE CHAMPIONSHIPS FEES – Judges' fees for State meets may be negotiated by the SAC and the chief official of the contracting organization but CANNOT exceed the basic fee schedule.
3. At all Dev and Xcel Regional Championship Meets that utilize a 2-judge panel, daily Championship rates do not apply. Regular hourly fees will be calculated.

CHAPTER 7 – GENERAL MEET INFORMATION

III. TYPES OF COMPETITION

All USA Gymnastics-sanctioned Women's Program Invitationals are governed by the Women's Program *Rules and Policies*, safety guidelines and judging criteria. They may be held at the local, state, regional, national, and international club level.

A. LOCAL MEETS (INCLUDES DUAL / TRIANGULAR MEETS BETWEEN CLUBS, INTER-SQUADS, AND INVITATIONALS)

1. Local Meets are NOT under the organizational responsibilities of the SAC. Meet Directors may:
 - a. Set dates,
 - b. Set entry fee and gate fee,
 - c. Contract officials by using the USA Gymnastics Contract or by requesting the services of the state's judging contractor,
 - d. Conduct team competition.
2. May be used for:
 - a. mobility only, or
 - b. qualification to the pre-Sectional Qualifier (if conducted), Sectional (if conducted) or State Championships, at the discretion of the SAC.
3. May have only 1 club / team competing to obtain a sanction.
4. All athletes must be judged by a judge member. Contact the SACC for specific State requirements and appropriate number of judges per panel. The SAC determines if any additional criteria will be used for State qualifying competitions and State Championships.
 - a. 1- judge panels are allowed for:
 - 1) DEV Compulsory Levels 1, 2, 3, 4, and 5*
 - EXCEPTION: Any local meet that directly qualifies a Level 5 gymnast to a State Championships MUST be judged by a 2-judge panel.
 - 2) Xcel Bronze, Silver and Gold Divisions
 - 3) For any competition using only a 1-judge panel, it is recommended to have a floating Meet Referee, if possible.
 - b. A minimum of 2 qualified judges per event are required for:
 - 1) DEV Levels 6-10
 - 2) Xcel Diamond, Platinum and Sapphire Divisions.
5. Results from local meets need to be emailed to the SACC or designated SAC representative and the Meet Director of the State Championships.
6. TYPES OF INVITATIONALS
 - a. Individual or Team Invitationals which specify certain level(s) and/or division(s). Because all rules pertaining to that level/division are followed, scores at such invitationals may be used to qualify to Sectionals, may be used in injury petitions and may be used for mobility purposes.
 - b. Individual or Team OPEN OPTIONAL Invitationals are competitions involving more than one level of gymnast, all being judged under one set of rules (for example, Elites, Level 10 and possibly Level 9's competing under Level 10 rules).
 - 1) Level 9 and 10 gymnasts ONLY may use the scores achieved at Open Optional Invitationals to qualify (up to State), for petition purposes, and/or for mobility.
 - 2) An Elite athlete—defined as one who has competed as a Junior or Senior International Elite in a Classic Meet, Winter Cup, Junior World Trials, or higher—must be registered as an OPEN athlete when participating in an invitational. These athletes may not be included in awards with non-Elite athletes.
 - An Elite athlete is officially considered a Development Program athlete only after the petition has been granted and she competes in her first USA Gymnastics sanctioned event as a Level 10. Any scores earned prior to petition approval are not valid for qualification to State Championships or higher-level events during the current season.
 - c. Any Invitational involving athletes from foreign countries or USA "Elite" National Team members must contact the USA Gymnastics Member Services for USA Gymnastics and/or FIG procedures.
7. The following deviations from USA Gymnastics Local, Sectional, and State Qualifying procedures will be allowed at any invitational:
 - a. The Meet Director must publish the following in the pre-meet information:
 - 1) The age divisions and schedule for awards for each session.
 - 2) Spectator admission fees and gymnast's entry fees.
 - 3) Judging panels (1-judge, 2-judge, 4-judge, etc.)
 - b. Teams may determine the competitive order of their gymnasts for each event.
 - c. Teams may be comprised of gymnasts from different age divisions and/or different DEV levels and/or Xcel divisions.
 - d. When using a meet format that requires a touch warm-up, each team may block time for touch warm-up, based on 30 seconds per gymnast for Bars, Beam and Floor Exercise. If athletes choose to block time on Bars, the clock will NOT stop for the setting of the bars. Vault touch warm-up is based on a specific number of vaults per DEV level / Xcel division.
 - e. For all sanctioned events that have multiple sessions of the same level vying for the same individual awards and team awards, athletes must be judged by the same judging panels. This does not apply to overall team awards with combined DEV levels / Xcel divisions of competition.
 - f. Awards: Non-citizens and foreign athletes are eligible for awards at all Invitationals. It is not required to give duplicate awards for non-citizens/foreign athletes. A non-citizen training as a member of a U.S. club may also be included in a club's team score.

2026 – 2027 RULES & POLICIES
CHAPTER 7 – GENERAL MEET INFORMATION

- g. Open scoring and flashing of Start Values - allowed at DEV Optional Invitationals (at the discretion of the Meet Director) provided that the previously mentioned scoring guidelines are followed.
- h. If All-Star teams (teams including athletes from different clubs/teams) are allowed to compete for team score, the Meet Director must indicate this in the pre-meet information.
- i. Team Competition at Invitational Meets:
The Meet Director may determine the format and draw for Club team competition.
 - 1) A draw will be made to determine which teams will start on each event. If there is more than one team per squad, the teams will draw for order of competition within the squad.
 - 2) Each team may determine the competitive order of its gymnasts.
 - 3) The team may include gymnasts from different age divisions and/or different DEV levels / Xcel divisions, depending upon the type of invitational.
 - In the case of team invitationals in which different DEV levels / Xcel divisions are competing within the same squad and receiving separate awards, all teams in the squad would compete gymnasts of one DEV level / Xcel division, then repeat the team order with the next level/division of gymnasts.
- j. Individual Event Finals Competition - Invitationals
 - 1) The Meet Director, Technical Director and/or Meet Referee conduct a random draw.
 - 2) If running one event at a time, competition proceeds in Olympic order.
 - 3) If two events run simultaneously, it is recommended to conduct Vault and Bars competition first, followed by Beam and Floor Exercise.
 - 4) If two events run simultaneously, and a gymnast is drawn for the same or similar competitive order in both events, she will be dropped down in the rotation for her second event to provide adequate warm-up and recovery time.
- k. Gymnasts going out of order: There is no deduction for athletes competing out of order. At Invitational meets that use a competitive start list, the coach may change the order if it would facilitate the use of equipment on the same setting. The Meet Director and the coaches within the squad must approve this.

B. PRE-SECTIONAL/SECTIONAL QUALIFIERS

- 1. Meets that are designated by the SAC as the ONLY meets which can be used to qualify gymnasts to either Sectionals (if held) or State Championships (if held).
- 2. For Sectional Meets, the SAC, in conjunction with the Meet Director, will determine the draw and placement of teams within sessions.
- 3. Must have a minimum of 2 clubs competing to obtain a sanction.
- 4. May be used to qualify a specific number of gymnasts to the State Championships.
- 5. For compulsory competition, must be judged by a minimum of 1 qualified judge per event.
 - Any Pre-Sectional or Sectional meet that directly qualifies a Level 5 gymnast to a State Championships MUST be judged by a 2-judge panel.
- 6. All Optional levels must be judged by a minimum of 2-judge panel per event.

C. STATE CHAMPIONSHIPS AND ABOVE

See appropriate sections as outlined in the Development Program and Xcel Program chapters for these events.

IV. AGE REQUIREMENTS AND REGULATIONS

- A. In the spirit of good sportsmanship, fairness to all athletes and competitive balance, the mobility system within both the Development and Xcel programs should be followed in the manner that it was intended:
 - 1. Before moving up in competition, every athlete should show proficiency at her current DEV level or XCEL division.
 - 2. Once a high level of proficiency is achieved at the athlete's current competitive level or division, she should strive to move up to the next competitive level or division, as long as it is done safely.
 - 3. USA Gymnastics cannot require/mandate a gymnast to move up to a higher level or division.
 - 4. For athletes to repeat a competitive level or division with the intent to gain an advantage over other competitors or teams IS NOT in the spirit of either the Development or Xcel programs, or youth sports in general.
- B. **AGE DETERMINATION**
 - 1. All gymnasts must reach the minimum age for the level or division BEFORE competing in any USA Gymnastics sanctioned competition.
 - a. EXAMPLE 1: Level 3 State Championships date is Dec. 1; the last Level 3 State Qualifier is November 17; the gymnast will turn the minimum age for Level 3 (6 yrs. old) on November 28th. She is ineligible to compete in the qualifying meet and therefore does not have the opportunity to qualify to the Level 3 State Championships that season.
 - b. EXAMPLE 2: Bronze State Championships date is Dec. 1; the last Bronze State Qualifier is November 17; the gymnast will turn the minimum age for Bronze (5 yrs. old) on November 28th. She is ineligible to compete in the qualifying meet and therefore does not have the opportunity to qualify to the Bronze State Championships that season.
 - 2. For invitationals and qualifying meets below the State Championships, the Meet Director may determine the age divisions and must publish such information in the pre-meet information.

2026 – 2027 RULES & POLICIES
CHAPTER 7 – GENERAL MEET INFORMATION

3. For all meets under the jurisdiction of the SAC or RAC, that respective committee may determine the method of determining age divisions. There are two (2) options:
 - a. **OPTION 1 - Age groups for the season:** established by specific ages (i.e., 8-10 yr. old's, 11-12, etc.).
 - 1) In this case, age divisions should be determined and published PRIOR to the competitive SEASON and the only adjustments that may be made during the season are subdivisions of the age groups.
 - Exception: At Level 9 or 10 State Championships and below, age divisions may be combined if the number of athletes is small.
 - 2) The gymnast's age for the competitive season is determined by the date of the final day of competition at the culminating championship meet for that level or division. EXCEPTION: The gymnast must have reached the minimum age for her level or division prior to entering any qualifying competition.
 - For Levels 9 and 10 State Championships and below – age is determined by the date of the last day of the State Championships.
 - 3) The gymnast must compete with the age division as designated for the entire season.
 - b. **OPTION 2 - Age groups for each competition:** established by dividing the athletes by actual birth date into approximately equal groups according to a predetermined number of age divisions or by a predetermined maximum number of athletes per age division.
 - Meet Directors must publish or post online the meet schedule with age divisions as soon as possible after the entry deadline.
 - c. Published results MAY NOT include the gymnast's date of birth.
4. Age divisions for Level 9 Eastern/Western and Level 10 Development Program National Championships are determined by the National Office.
 - a. No later than 5:00 PM local time the Monday following the State Championships, the SACC must report the names of all qualifiers to Level 9 and 10 Regional Meet to their RACC.
 - b. The RACC will compile the data for their region and forward it to the Development Program Director.
 - c. The Development Program Director will determine the age divisions by dividing the athletes by birth date into approximately equal groups according to the designated number of prescribed age divisions.
 - 1) Athletes included in age determination: only regional qualifiers who achieve the minimum qualifying score to Level 9 Eastern/Western Championships or Level 10 Nationals at State Championships.
 - 2) Athletes NOT included in age determination: Individual Event Specialists/IES and petitioned athletes.
 - d. The age divisions will be published on the USA Gymnastics website and will also be sent directly to all SACCs and RACCs.
5. If a gymnast competes in the wrong age division, her scores are invalid for all All-Around, individual events, or team awards; however, the score achieved may be used for level or division mobility.
 - a. If, due to valid unforeseen/unpredictable (not anticipated or predicted) circumstances, a gymnast is unable to compete with her designated age group, she may compete on another day (or in another session) with the approval of the SACC for State Championships and RACC for Regional Championships. She will not be eligible for ANY awards. Her score may be used for mobility or qualification purposes (if qualification is by score, not placement or percentage in a given age group) to the next meet.
 - Competition schedules are set using available dates without regard to the diversity of religious and cultural practices of potential participants. USA Gymnastics acknowledges and regrets that athletes may need to choose to opt out of participation in any specific competition due to anticipated or predictable religious practices or scheduling conflicts.

V. ENTRY REGULATIONS

- A. All gymnastics performers and demonstrators for entertainment/demonstration purposes must be currently registered as a USA Gymnastics Athlete Member and must be covered under the individual club's insurance policy. Any such performance must be conducted before the competition starts or after the entire competition is completed and no evaluation is allowed. No gymnastics performance for "exhibition" is allowed during the competition.
 - If any non-gymnastics performers (individual or group) will be participating, the host club is advised to obtain proof of insurance for that individual/group.
- B. At any USA Gymnastics sanctioned competition, All-Around athletes (who compete all four (4) events) and Individual Event Specialists/IES (athletes who compete 3 events or less) may participate. All-Around competition is required for qualification to Sectional and above meets at all Development Program levels and/or Xcel divisions. Exceptions:
 1. For DEV Levels 6-10 and all Xcel Divisions, IES competition may be conducted up to and including regional meets, at the discretion of the respective SAC and RAC. IES competitors may compete and be ranked amongst the All-Around competitors; may be counted in the team score; and would receive duplicate awards in the case of a tie for event placement (ties involving IES are NOT broken).
 2. Athletes who are limited in the number of events in which they can perform due to a permanent physical handicap (verified by a physician) may petition to qualify to higher level meets by achieving an average score equal to the average of the All-around qualifying score. If the qualification is by number or percentage, such individuals could be added as additional athletes provided, they achieve an average score that meets or exceeds the average score achieved by the lowest qualifier.
- C. Any athlete who has qualified to a State, Regional, Eastern/Western or National Championships will be allowed to participate, if they can perform at least 1 event. In this case, they must present and touch each apparatus to receive a score of "zero" at the events in which they are unable to compete. The scores received by this individual may also contribute to the team score.

2026 – 2027 RULES & POLICIES
CHAPTER 7 – GENERAL MEET INFORMATION

- D. Non-citizens living and training in the United States, who are not current or past National Team members for a foreign country, may participate in all USA Gymnastics sanctioned events.
- E. In any USA Gymnastics sanctioned competition, each team/club must have at least one (1) active coach on the floor. Every coach on the floor at a sanctioned competition **MUST** be a USA Gymnastics member.
 - A minor (age 16-17) Competitive Coach member must be accompanied by an adult Competitive Coach Member to be on the field of play (competition area) as a coach.

VI. ENTRY FEE GUIDELINES

- A. Entry fees for pre-sectional and Sectional meets are determined by the SAC, with the approval of the RACC.
- B. Entry Fee Limitations for State and Regional Championships
 - 1. Entry fees for State Championships are determined by the SAC and must be approved by the RACC but may not exceed the Regional Championship meet entry fee.
 - 2. Entry fees for Regional Championships are determined by the RAC and must be approved by the NACC but may not exceed the National Championship meet entry fee.
 - 3. State / Regional Championship refunds are at the discretion of the SAC / RAC.
- C. The USA Gymnastics Meet Reservation System IS REQUIRED to be utilized for registration (not to accept payments) at all USA Gymnastics sanctioned events.
- D. An athlete is considered registered/entered in a competition only when her name is listed on the club's entry form and the Meet Director has received full payment of all fees (including, but not limited to entry fees, late fees, etc.).
- E. Once all competition entries are received, It is recommended that a competition schedule be published at least 4-6 weeks prior to the first day of competition.
- F. Meet Directors may NOT refuse entries from competitors who wish to enter a competition that serves as a Sectional Meet or any competition that serves as a qualifier to State Championships and above (including the Nastia Liukin Cup) if all registration procedures AND entry fees are PAID IN FULL.
 - Exception: If the competition fills to maximum participant capacity, the Meet Director may consider accepting additional entries if/when space becomes available.
- G. Cancellation Policy - The Meet Director should make the best effort to refund all or part of the entry fee if severe weather or a shortage of judges would cause a cancellation of a competition.

VII. ATHLETE RESIDENCY/CLUB'S STATE CHAMPIONSHIPS DETERMINATION

- A. **A gymnast MUST compete in the State Championships based upon the state in which her training facility is physically located.**
 - 1. If a gymnast resides in one state and their training facility is located in another neighboring state, the physical location of the gymnast's training facility determines the residency of the gymnast for State meet determination.
 - 2. The gymnast must compete in the proper Regional meet, based upon the State Meet in which they competed.
 - 3. If an athlete relocates residences between State and Regional meets, thereby placing them in a different region:
 - a. Development Program Level 8 and below and all Xcel Divisions – will be allowed to compete in their new region so long as they meet the qualifying requirement of that region and qualification was by score, not rank of athletes.
 - b. Development Program Level 9 and 10 – must compete in the region in which they qualified, regardless of new residence.
- B. **A club MUST compete in the State Championship(s) of the state in which the training facility is physically located.**
 - 1. Clubs that have gyms in different locations (under the same ownership) have the option of competing under one club name or as separate clubs. The decision MUST be made at the beginning of the competitive year and communicated to the SACC and/or RACC, as applicable.
 - 2. If two different clubs (different names/owners) are coached by the same person, the SAC may decide if the clubs may compete as one combined team in USA Gymnastics qualifying meets and State Championships.

CHAPTER 7 – GENERAL MEET INFORMATION

XI. MEET FORMATS & NUMBER OF ATHLETES

A. TYPES OF COMPETITION FORMATS

The only acceptable meet formats are listed in this publication. Any ideas for new formats should be submitted to the NDPCC for consideration and/or approval and possible inclusion in future *Rules and Policies*.

1. TRADITIONAL FORMATS:

- a. **OPTION 1: 1 GYM** - Meets in which the open stretch, timed warm-ups and competition are conducted in one (1) gym, with the timed warm-ups on all four (4) events first, then competition on all four (4) events (30-second TOUCH WARM-UPS are required under certain conditions- see Competition Warm-up Procedures).
- b. **OPTION 2: WARM UP GYM + COMPETITION GYM** - Meets in which the open stretch and timed warm-ups on all four (4) events are conducted in a warm-up gym, then the gymnasts move to a competition gym to compete on all four (4) events. (30-second TOUCH WARM-UPS are always required when the timed warm-ups are conducted on apparatus other than the competition apparatus.)
 - The warm-up apparatus MUST be identical to the competitive apparatus, apart from the Floor Exercise. If a spring tumbling strip is used instead of a full FX area, it MUST be a minimum of 60' long and 8' wide.
- c. When using either of the two (2) Traditional format options, squads MAY be divided into two sub-groups for the competition warm-up (30-second touch) ONLY if squads consist of:
 - 1) 13 or more DEV Compulsory and/or Xcel Bronze, Silver, or Gold gymnasts OR
 - 2) 9 or more DEV Optional and/or Xcel Platinum, Diamond, or Sapphire gymnasts
 - 3) The first half takes their 30-second touch warm-ups and then competes; then the second half takes their 30-second touch warm-ups and competes. Touch warm-ups on Beam and Floor may be staggered.
 - Taking the 30-second TOUCH WARM-UP in this instance is at the discretion of the personal coach and MUST be allowed, if desired.

2. MODIFIED TRADITIONAL FORMATS (alternating warm-up and competition – both formats ELIMINATE the requirement of a 30-second touch warm-up):

- a. **OPTION 1: 1 GYM**: Meets in which the open stretch, timed warm-ups and competition are conducted in one (1) gym in which there is ONLY 1 SET OF APPARATUS. The timed warm-ups immediately precede competition on each event.
- b. **OPTION 2: 1 GYM**: Meets in which the open stretch, timed warm-ups and competition are conducted in one gym in which there is 1 Vault, 1 set of Bars, 2 Balance Beams, and 1 Floor Exercise mat in the competition gym. NO WARM-UP GYM. Timed warm-ups immediately preceding competition on each event with continuous rotations. The judges move from the “A” beam to the “B” beam for competition. Timed warm-ups immediately preceding competition on that event.
- c. When squads consist of 13 or more DEV Compulsory and/or Xcel Bronze, Silver, or Gold gymnasts or 9 or more Optional and/or Xcel Platinum, Diamond or Sapphire gymnasts, the squad MAY be divided into two (2) sub-groups.
 - The first half takes their timed warm-ups and then competes; then the second half takes their timed warm-ups and competes.
- d. Touch warm-ups on Beam and Floor may be staggered.

3. NON-TRADITIONAL FORMATS:

- a. **CAPITOL CUP**: Meets that have 2 sets of apparatus (1 for competition and a duplicate set for warm-ups) either in the same or in separate gyms and that alternate the warm-ups and competition, 1 event at a time.
 - 1) Timed warm-ups on the 1st event for the 1st 4 squads (Flight A) are conducted on the warm-up apparatus, then Flight A goes to the competitive equipment to compete on their 1st event while the next 4 squads (Flight B) warm-up their 1st event. The 2 flights continue to alternate between warm-ups and competition until all 8 squads have completed all 4 events.
 - 2) 30-second touch warm-ups are REQUIRED since timed warm-ups are not conducted on the competition apparatus.
- b. **MODIFIED CAPITOL CUP**: Meets which have 2 sets of apparatus in 1 gym and in which the first 4 squads (Flight A) have timed warm-ups and competition on 1 set of apparatus, while the second 4 squads (Flight B) have timed warm-ups and competition on the other set of apparatus.
 - 1) As soon as the squads in Flight A finish timed warm-ups on their 1st event and begin competition, the 4 squads in Flight B begin their timed warm-ups on their 1st event. Once Flight A completes competition on the 1st event, the judges move to the other set of apparatus to judge Flight B. The 2 flights continue to alternate between warm-up and competition until all 8 squads have completed all four events.
 - 2) Since the timed warm-ups are conducted on the competition apparatus immediately preceding the competition on the event, 30-second touch warm-ups are NOT required.

- c. A session may not exceed the maximum number of athletes allowed per reference charts on the following pages (Pages 36 & 37). It is strongly recommended that all flights be balanced as close as possible in total squad size. The recommended number of total athletes per combined Flight A and Flight B is shown:

# of athletes	DEV Levels	XCEL Divisions
16 athletes	L8 – L10	Diamond, Sapphire
18 athletes	L6/L7 combined w L8-L10	
20 athletes	L6 and/or L7 only	Platinum
24 athletes	L1-L5	Bronze, Silver, Gold

- d. Regardless of the number of athletes within the squad, timed warm-ups MAY NOT be split.

2026 – 2027 RULES & POLICIES
CHAPTER 7 – GENERAL MEET INFORMATION

- e. It is recommended that there be no fewer than 5 gymnasts per squad.
 - If a Meet Director is aware before the competition begins that a rotation will have fewer than five (5) (4 or less) athletes, a bye rotation must be scheduled and used for that group.
 - f. If the number of athletes in any one session is fewer than forty (40), the athletes may be divided into six (6) or seven (7) squads, leaving one or two events (either warm-up gym or competition gym) per rotation empty.
 - g. If a separate gym is used as a warm-up gym, the apparatus must be identical to the competitive gym, apart from the Floor Exercise. If a spring tumbling strip is used instead of a full Floor Exercise area, it must be a minimum of 60' long and 8' wide.
 - h. When at all possible, the Meet Director should assign teams that are split into two squads in the same flight and on "opposing" events. For example, if Team A is in two squads, Team A is assigned on Vault and Beam or Bars and Floor in the same flight, NOT Vault and Bars or Beam and Floor.
 - i. It is acceptable to have a combination of non-traditional and modified non-traditional formats in the same session.
 - Example: Use a warm-up gym and competition gym for UB, BB, and FX but have 2 VT stations in the competition gym.
4. CONTINUOUS COMPETITION FORMAT ("Gymfest format")
- A version of the "Modified Capital Cup" meet format mentioned above, except this format allows sessions to overlap start and end times. It was created to maximize the number of athletes who can compete in one day in a one gym setup with two sets of equipment, with a smaller separate general warm-up space. Warm-up times and maximum number of competitors for this format should mimic the "Modified Capital Cup" meet format in the below reference chart.
- B. DETERMINING MEET FORMAT AND SCHEDULE**
1. Select the type of format based upon number of gyms and/or apparatus available, number of athletes, and number of levels and/or divisions.
 - TO REMAIN WITHIN THE 5-HOUR MAXIMUM TIME IN THE GYM, MEETS WITH THE BELOW ATHLETE NUMBERS IN ONE SESSION MUST USE SOME TYPE OF NON-TRADITIONAL FORMAT:
 - a. 73 - 96 gymnasts – DEV Compulsory levels, Xcel Bronze, Silver, and Gold Divisions
 - b. 57 - 80 gymnasts – DEV Levels 6 and 7 only, Xcel Platinum
 - c. 57 - 64 gymnasts – DEV Levels 8 - 10, Xcel Diamond and Sapphire Divisions
 2. Gymnasts shall be grouped in sessions (and/or squads) first according to level and/or Division.
 3. There is no specific maximum number of judgments PER DAY per panel of judges.
 4. The limit to the total number of competitors per day is determined by the number of gymnasts allowed per session based upon which type of format is used, along with the following time restraints. The schedule of the competition must provide for the following:
 - a. The 15–30-minute general warm-up may NOT begin before 8:00 A.M. (General stretch and bar settings).
 - b. Must conform to the maximum number of judgments per SESSION per panel of judges.
 - c. The competition must be scheduled to end by 10:00 PM. If the meet continues past 10:00 PM due to extenuating circumstances, the Meet Director must submit an explanation in writing to the RTCC, with a copy to the SACC (or RACC for Regional Championships), as well as to USA Gymnastics Member Services.
 - The Meet Referee must make a note of the time infraction on the Sanction Report Form.
 - d. Gymnasts should be on the Floor (includes warm-ups and competition) no longer than five (5) hours when performing a single set of Compulsory or Optional exercises in one (1) session.
 - 1) Considering the athlete ages in DEV Levels 1-3 as well as Xcel Bronze, it is recommended that session durations do not exceed 2.5 hours, including warm-up time.
 - 2) If an athlete competes in two different sessions in one day, she must be provided adequate rest time between sessions.
 - e. For meets with multiple sessions PER DAY, a minimum 30-minute break is recommended for judges between scheduled sessions.
5. **REQUESTS TO EXCEED THE ALLOWABLE NUMBER OF JUDGMENTS PER SESSION WILL NOT BE CONSIDERED.**
- a. If the event is a State qualifying event, additional sessions and/or days must be added.
 - b. In the case of an invitational, the Meet Director must either place clubs on a wait list or they must change their format to allow for more than four panels of judges or more than one gym.
6. Allow adequate time for awards ceremonies (depending on the number of age divisions, number of awards to be given, and if a separate awards area is available) between sessions when calculating total time for competition to ensure that no gymnast will compete after 10:00 P.M.

CHAPTER 7 – GENERAL MEET INFORMATION

D. COMPETITIVE FORMAT AND DRAW (procedures AFTER entries have been received)

1. The SAC may decide the competitive format and draw procedures for pre-sectional and sectional ONLY to allow the draw for sessions to be determined by either age divisions or by club teams.
 - If the draw is conducted by teams, awards are given for all levels and/or age divisions competing in each session.
2. The draw for sessions at State and above Championship competitions is to be determined by age divisions.
 - a. The SAC determines specific guidelines that establish the order of competition for the age divisions and/or DEV levels or Xcel divisions (for example, by random draw or youngest to oldest) for State Championships.
 - b. Using the predetermined State guidelines, the Meet Director and SACC, (or other SAC Members designated by the SACC), conduct the draw to determine the order in which the age divisions will be conducted.
 - c. In all sanctioned USA Gymnastics State and Regional Championships, **when possible**, Individual Event Specialists (IES) shall be placed first (1st) on the event she is competing using the following steps:
 - 1) Organize gymnasts into squads.
 - 2) Draw for starting events and flights.
 - 3) Place the IES first on the event she is competing within the squad.
 - 4) No one gymnast shall compete as the first performer of the competition in more than one event, unless there are scratches that reduce the total number of competitors in the squad to less than four (4) athletes.
 - On Uneven Bars ONLY: If any level 9 or 10 squad has fewer than five (5) athletes (4 or less) due to onsite scratches or unforeseen (not anticipated or predicted) circumstances, an additional 2½ minutes timed warm up may be provided. This additional warm-up time MUST include bar settings.
 - d. The format and number of athletes for State and Regional competitions must be approved by the RDPCC (Dev) or RXCC (Xcel) and RTCC.
 - 1) For State/Regional Championships: the maximum number of gymnasts per session may be exceeded by a small percentage for special circumstances, only with the approval of:
 - a. State Championships - the RTCC and the RDPCC (DEV) or RXCC (Xcel) and the RACC
 - b. Regional Championships - the NTCC and the NDPCC (DEV) or NXCC (Xcel) and the NACC.
 - 2) It is the Meet Director's responsibility to contact the appropriate officers (State Meet Directors contact the SACC; Regional Meet Directors contact RTCC). The State or Regional officer(s) will then contact the appropriate individuals, as stated above, for final approval.
3. Club team competition format and draw shall be determined by the:
 - a. Meet Director for invitationals and local meets.
 - b. SAC for pre-sectional qualifiers, sectional and State Championships.
 - c. RAC for Regional competitions.
4. Alphabetize teams and assign competitive numbers for each gymnast, designated by age divisions and/or DEV levels or Xcel divisions. Each level/division and/or age division should be designated by a specific number sequence, if possible.
 - a. If only achievement awards are given for DEV Level 5 or below, the gymnasts are not required to compete within designated age divisions.
 - b. To assign competitor numbers, first determine all athletes in the same age division, listed alphabetically, first by team, then by last name.
5. Determine the number of gymnasts per session based on type of competition, and allowable number of gymnasts per squad. The number of gymnasts per squad is determined by dividing the total number of gymnasts in the session by four (4) in a traditional format, by five (5) if a "bye" rotation is used, or by eight (8) in a non-traditional (Capitol Cup) format.
 - If a Meet Director is aware before the competition begins that a rotation will have fewer than five (5) (4 or less) athletes, a bye rotation must be scheduled and used for that group.
6. Draw for team placement into necessary number of squads. All members of the same age division and/or DEV level/ Xcel division from the same team will be drawn for competitive order in the same squad in the same session.
 - a. Priority - keep DEV levels and Xcel divisions and/or age divisions in the same session and, if possible, the same squad(s).
 - b. If warm-ups are conducted in a separate gym or on a separate set of apparatus in the same gym alternating with competition (non-traditional format), all athletes on the same team MUST be drawn in the same squad(s) within the same flight (in the same gym).
 - c. No team (club) should be drawn into more than two squads in any one session, unless the total number of gymnasts from that club exceeds the number of gymnasts that would be drawn into two squads.
 - If there are several age divisions and/or DEV levels or Xcel divisions within the same session, teams may be drawn for placement in one or two squads.
 - d. The Meet Director should always consider the safety of the athlete first to determine the best format for the competition.
7. Draw for starting events for each squad.
 - Start lists must be distributed to all coaches and judges and posted at the competition site.
8. Order of Events
 - a. FIG Olympic competitive order is Vault, Uneven Bars, Balance Beam, and Floor Exercise.
 - b. In the case of only one (1) squad or four (4) squads (1 panel or 4 panels of judges), the squad(s) will rotate in Olympic order.
 - c. If only 2 events compete simultaneously (2 panels of judges), it is recommended that Vault and Bars run first, followed by Beam and Floor Exercise.

2026 – 2027 RULES & POLICIES
CHAPTER 7 – GENERAL MEET INFORMATION

9. Draw for competitive order by taking the numbers of all gymnasts assigned to that squad and draw randomly. No one gymnast shall compete as the first performer of the competition in more than one event, unless there are scratches that reduce the total number of competitors in the squad to fewer than four (4) athletes.
 - a. If more than one DEV level/ Xcel division must be drawn in one squad, all athletes of the same DEV level/ Xcel division must compete consecutively. When rotating to the next event, the first competitor of a DEV level/ Xcel division would be dropped to the last spot.
 - b. In the case of team invitationals in which the order of competition is drawn by team and the coach decides the competitive order of the gymnasts, all teams in the squad would compete gymnasts of one DEV level/ Xcel division, then repeat the team order with the next DEV level/ Xcel division of gymnasts.
 - c. On Uneven Bars ONLY: If any level 9 or 10 squad is reduced to fewer than 5 athletes (4 or less) due to onsite scratches or unforeseen (not anticipated or predicted) circumstances, an additional 2½ minutes timed warm up may be provided. This WILL include bar settings.
10. To determine competitive order when rotating to the next event, the number of places to be “dropped” must be applied uniformly per session and is based on ¼ of the number of competitors in the largest squad in that session.
 EXAMPLE: Two even squads of 12 and two squads of 11 - drop the first three (3) gymnasts in each squad to the end of the competitive order when rotating to the next event. Four odd-number squads of 9 - drop the first two (2) gymnasts to the end of competitive order.
 - In the case of a squad being reduced in numbers due to gymnasts scratching prior to the start of competition, it may be necessary to re-define the start order on each event for that squad only if the original number of dropped places is more than ¼ of the number of gymnasts in that squad.

6 OR LESS GYMNASTS IN A SQUAD

Drop one (1) spot

- ⇒ Gymnast 1: V
- ⇒ Gymnast 2: UB

- ⇒ Gymnast 1: V
- ⇒ Gymnast 2
- ⇒ Gymnast 3: UB
- ⇒ Gymnast 4
- ⇒ Gymnast 5: BB
- ⇒ Gymnast 6
- ⇒ Gymnast 7: FX

12+ GYMNASTS IN A SQUAD

Drop three (3) spots

- ⇒ Gymnast 1: V
- ⇒ Gymnast 2
- ⇒ Gymnast 3
- ⇒ Gymnast 4: UB
- ⇒ Gymnast 5
- ⇒ Gymnast 6
- ⇒ Gymnast 7: BB
- ⇒ Gymnast 8
- ⇒ Gymnast 9
- ⇒ Gymnast 10: FX
- ⇒ Gymnast 11
- ⇒ Gymnast 12

CHAPTER 7 – GENERAL MEET INFORMATION

XII. MEET WARM-UPS

A. GENERAL WARM-UP

A 15–30-minute general/open warm-up time is required. The Uneven Bars are available to obtain settings only (tap swings). The apparatus is NOT available for warm-up during the general warm-up time. Marking mount distances or practicing run-up onto the board is allowed. The Floor Exercise mat and other matted and open areas may be used for locomotor warm-up activities, such as running, and for skill warm-up that can be performed in a confined space. Line drills on Floor involving simple elements are allowed; however, tumbling on the diagonal is not allowed.

B. TIMED WARM-UPS:

Rotations are determined by the following formulas:

1. 30-seconds X number of gymnasts per squad
 - a. DEV Levels 1, 2
 - b. Xcel Bronze Division
2. 45 seconds X number of gymnasts per squad
 - DEV Level 3
 - Xcel Silver Division
3. 1 minute X number of gymnasts per squad
 - DEV Levels 4, 5
 - Xcel Gold Division
4. 1½ minutes X number of gymnasts per squad
 - DEV Levels 6, 7
 - Xcel Platinum Division
5. 2 minutes X number of gymnasts per squad
 - DEV Levels 8, 9, 10
 - Level 9 & 10 ONLY (Includes Bar settings) – 2½ minutes X number gymnasts
 - Xcel Diamond & Sapphire Divisions
6. VAULT & FLOOR EXERCISE warm up time is determined by the number of athletes in the largest squad of the session multiplied by the allotted time per DEV level / Xcel division.
7. If a squad has more than one DEV level and/or Xcel division competing, the timed warm-up will be determined by the combined total number of minutes allowed for each level/division (see charts below).

Example 1:

Squad	# gymnasts	DEV Level	Warm-up Time
A	10	All Level 6/7	15 min (10 x 1.5)
B	10	All Level 6/7	15 min (10 x 1.5)
C	10	All Level 6/7	15 min (10 x 1.5)
D	10	8 at Level 6/7; 2 at Level 8	16 min (8 x 1.5 plus 2 x 2 min)

In Example 1, all squads would have **16 minutes** (time of the largest squad) for Vault and Floor.

Example 2:

Squad	# gymnasts	Xcel Division	Warm-up Time
A	10	All Gold	10 min (10 x 1.0)
B	10	All Gold	10 min (10 x 1.0)
C	10	All Gold	10 min (10 x 1.0)
D	10	8 Gold, 2 Platinum	11 min (8 x 1.0 plus 2 x 1.5 min)

In Example 2, all squads would have **11 minutes** (time of the largest squad) for Vault and Floor.

8. BLOCK TIME (BARS & BEAM ONLY)

Block time is allowed at the discretion of each individual coach for teams that have several gymnasts in one squad. Individual gymnasts from different teams may join together to block time, if they so desire. Coaches are strongly encouraged to assist each other with any adjustment of equipment, if needed.

- a. When using a “warm-up/compete” format (one gym and one set of apparatus) with timed warm-ups immediately preceding competition on each event, gymnasts may “block” time.
- b. At competitions that use a draw for individual competitive order, the first athlete to compete MUST warm-up first, whether she chooses to block or to take individual warm-up time. If the first athlete blocks warm-up time with additional athletes in the squad, those athletes will warm-up with the first competing athlete.
 - 1) BARS – Athletes may be grouped by bar settings for the remainder of the warm-up.
 - 2) BEAM - Athletes may be grouped by beam height setting for the remainder of the warm-up.
- c. Bar and Beam settings (adjustments) are NOT included in the warm-up time, unless an athlete chooses to block time (either within their own team or with other teams).
 - 1) Each block is allowed to set the Bars and Beam ONE INITIAL TIME before the warm-up time begins.
 - 2) The clock WILL STOP between EACH block.
 - 3) Separate blocks of ANY SIZE can occur within a squad.
 - 4) At all sanctioned events, only one gymnast at a time can be on the Bars for any part of the warm-up period (this would include timed warm-ups and 30-second touch).
- d. Staggered timed warm-up is NOT allowed on Balance Beam.

2026 – 2027 RULES & POLICIES
CHAPTER 7 – GENERAL MEET INFORMATION

9. BLOCK TIME (VAULT & FLOOR EXERCISE): Block time is NOT ALLOWED. (note Xcel SPECIFIC procedures below).

- a. The entire squad warms up at the same time for Vault and Floor. The amount of time is calculated by multiplying the allowable warm-up time per athlete by the number of athletes in the largest squad in that session.
- b. XCEL SPECIFIC (VAULT):
 - 1) The number of guaranteed vaults for a division is the MINIMUM number of vaults a gymnast must receive in TIMED Warm-ups. If the time expires without some gymnasts receiving the minimum number of guaranteed vaults, those gymnasts are permitted to “finish” their warm-up. Guaranteed minimum number of warm-up vaults per division:
 - a) Bronze: 1
 - b) Silver, Gold, Platinum: 2
 - c) Diamond, Sapphire: 3
 - 2) For any squad utilizing the Vault mat stack: it is recommended that the vault warm-up be divided by the mat configurations used within the squad. Example: the 1st gymnast to compete uses a 16” mat stack. All gymnasts using this configuration warm-up together. At the conclusion of the first group, the warm-up time will stop to allow coaches to set up the next mat configuration. All gymnasts using this mat configuration warm-up together.

10. VAULT WARM-UP PROCEDURES

- a. Time will begin when a gymnast performs either of the below:
 - 1) Gymnast stands on the table or mat stack to do a skill/jump off, OR
 - 2) Gymnast begins running toward the table and touches the springboard.
- b. Warm-up drills i.e., “Handstand hops” and a “run by” without touching the board is NOT included in the warm-up time and will be allowed if performing these drills does not delay the competition.
 - Excessive delay of “warm-up drills” when the timer is ready could result in a deduction.
- c. During competition, it is NOT considered additional warm-up time if a gymnast who is next to compete runs or jumps on the Vault runway following the previous competitor’s final vault.
- d. The gymnast may NOT run or jump in front of the Vault judge’s table.
 - In this instance, a warning would be given for exceeding warm-up time.

11. FLOOR EXERCISE WARM-UP PROCEDURES

- a. For **TRADITIONAL** format competitions that provide only 1 Floor Exercise for competition, or 1 Floor plus a tumbling strip:
 - 1) Warm-up all gymnasts, compete all gymnasts if there are:
 - a) Squads of 8 or fewer – DEV Optional and/or Xcel Platinum, Diamond, Sapphire
 - b) Squads of 12 OR FEWER – DEV Compulsory Levels 1-5 and Xcel Bronze, Silver, Gold Divisions
 - 2) Warm-up half the squad, then compete. Warm up the 2nd half of the squad, then compete if there are:
 - a) Squads of 9 or more - DEV Optional and/or Xcel Platinum, Diamond, Sapphire
 - b) Squads of 13 or MORE gymnasts – DEV Compulsory Levels 1-5 and Xcel Bronze, Silver, Gold Divisions
- b. For **NON-TRADITIONAL** formats, the total number of athletes assigned to the 2 squads that start on the same event (1 squad in Flight A and the other squad in Flight B) cannot exceed:
 - 1) 16 for DEV Levels 8-10, Xcel Diamond, and Sapphire Divisions
 - 2) 20 for combined DEV Levels 6-7, Xcel Platinum Divisions
 - 3) 24 for DEV Levels 1-5 and Xcel Bronze, Silver, and Gold Divisions
 - 4) Regardless of the number of athletes within the squad, timed warm-ups MAY NOT be split.
 - Every attempt should be made to keep squads as even as possible.
- c. With any allowable size squad: warm-up athletes between competitive routines.
 - 1) When using this option, the Meet Director MUST assign an adult monitor to regulate the number of athletes warming up at any one point in time and to keep track of the competitive order. It is NOT a responsibility of the judges.
 - 2) For DEV Levels 6-10 and Xcel Platinum – Sapphire Divisions: A gymnast is allowed to start warming up when there are only six (6) more competitors ahead of her. This gives each athlete five (5) turns on the Floor mat prior to her time to compete and there will be no more than five (5) athletes warming up on the Floor at any one point in time.
 - a) **EXAMPLE** with eight (8) Level 8-10 gymnasts per squad: When the first squad in Flight A warms up on Floor, the first six (6) athletes will warm-up together (6 x 2 minutes=12 min). Once competition begins, the 7th athlete will warm-up while judges evaluate #1 gymnast; after each subsequent routine, another athlete will be added to warm-up.
 - 3) **For DEV L6-10 ONLY: An athlete must be guaranteed a minimum of 30 seconds of warm-up time between competitive routines. Warm-up time may extend beyond 30 seconds until all judges are ready to proceed. Coaches may request additional warm-up time from the Chief Judge, if needed.**
 - 4) This procedure may also be used for the TOUCH WARM-UP.
 - 5) For DEV Compulsory Levels 1-5 and Xcel Bronze – Gold Divisions, in a modified non-traditional format, athletes may warm-up between floor routines as a group, corresponding with the squad numbers above. The group is not limited to six (6) athletes, as required by DEV Levels 6-10 and Xcel Platinum - Sapphire.
 - If a coach determines that athletes have not had adequate warm-up time in between routines, he/she can request of the Chief Judge to either have a short block of time for a squad or partial squad to warm-up, or for the judges to slow down to allow for a minimum of 30 seconds between exercises.

- C. EXCEEDING WARM-UP TIME:** If an athlete (or team) disregards the timer and exceeds the warm-up time, the timer must report the infraction to the Meet Director or Meet Referee. This would be considered as the warning, and any subsequent infraction would result in a 0.20 penalty.

2026 – 2027 RULES & POLICIES
CHAPTER 7 – GENERAL MEET INFORMATION

D. WARM-UP ROTATION ORDER

1. TRADITIONAL format: Squads start timed warm-ups on their 2nd competitive event and rotate in Olympic order to finish warm-ups on their 1st competitive event.

EXAMPLE: Warm-up order: UB, BB, FX, V
Competitive order: V, UB, BB, FX

2. When "Bye Squads" are used, timed warm-ups must be in the same order as the competitive rotation.

- E. If timed warm-ups are conducted in a separate warm-up gym, all equipment (warm-up and competition) MUST BE IDENTICAL (except for Floor Exercise, where a tumbling strip made with the same type springs, foam and carpet as the FX mat may be used in the warm-up gym). Each board must be marked for a specific gym and event.
- F. If a gymnast arrives late to a competition due to circumstances beyond her control (traffic delay, weather-related, etc.), every effort should be made to allow the athlete to compete. She should be provided a safe and effective warm-up without upsetting the flow of the ongoing event. Provided that she has arrived for her designated session/age division, her scores will be valid for all individual and team rankings.

G. 30-SECOND TOUCH WARM-UP

1. A touch warm-up on the competitive equipment prior to each event must be offered for any competitions using a Traditional or Capitol Cup format (excluding Modified Traditional and Modified Capitol Cup).
- For TRADITIONAL format meets: In the case of large squads (9 or more DEV Optional, Xcel Platinum - Sapphire; 13 or more DEV Compulsory, Xcel Bronze - Gold), the squad MAY be divided into two (2) groups. The 1st half takes a touch warm-up and then competes; then the 2nd half takes a touch warm-up and competes.
 - The option to alternate competition with the touch warm-ups (staggered touch) may also be used, at the discretion of the Meet Director.
2. The 1st athlete to compete must be given the opportunity to touch first; however, the gymnast is NOT REQUIRED to take the touch warm-up.
3. The touch warm-ups are NOT REQUIRED to be in competitive order.
4. **VAULT:** Touch warm-ups are not controlled by time, but rather by a guaranteed maximum number of Vaults per gymnast. Athletes may warm-up in any order, but each athlete is still guaranteed the specified maximum number of Vaults per DEV level / XCEL division.
- a. **One (1)** Vault MAX: Xcel Bronze competitions
 - b. **Two (2)** Vaults MAX: DEV Levels 1-5, Xcel Silver - Platinum competitions
 - c. **Three (3)** Vaults MAX: DEV Levels 6-10, Xcel Diamond and Sapphire competitions
 - d. Each gymnast is allowed to stand on the vault table and jump (or salto) off ONE TIME ONLY, in addition to their specific number of allowable Vaults.
 - e. After presenting to the judges, the gymnasts are allowed ONE "runback" from the board before the vault attempts are counted.
5. **BARS:** A 30-second warm-up per gymnast is allowed; setting of the bars is NOT included in the "touch" warm-up time.
6. On **BARS & BEAM only:** Athletes will be allowed to take the touch warm-up in any order to expedite the one-touch warm-up, but each athlete must still be individually timed 30-seconds.
7. **BEAM:** 30-seconds per gymnast.
- BEAM ONLY - Touch warm-ups may be staggered.
 - If the touch warm-up on BEAM is staggered with warm-ups between competitive routines, the touch warm-up MUST be in competitive order.
EXAMPLE: For competitions using a Modified Traditional format, the first three (3) gymnasts will touch warm-up on BB, then athlete #1 competes. The 4th gymnast will touch warm up while judges evaluate the score for the 1st gymnast. After each subsequent routine, the next gymnast in rotation order will touch warm up.
8. **FLOOR EXERCISE:** All gymnasts in the squad (or ½ the squad in the case of large squads) warm up simultaneously for a time period determined by multiplying the number of gymnasts by 30 seconds.
EXAMPLE: 5 gymnasts will be given 2½ (5 x 30/seconds per gymnast) minutes as a group to touch warm-up.
- The Meet Director may choose to use the option of conducting the touch warm-ups in between the competitors.
9. In the case of an unavoidable delay in the competition (i.e., electrical power outage, serious injury, etc.), the Meet Director, in conjunction with the Meet Referee, may allow an additional TOUCH WARM-UP for those athletes who have already taken the 30-second touch but have had to wait an unreasonable amount of time. The safety of the athletes must be the primary concern.

XIII. SPECIFIC COMPETITION PROCEDURES

Included below are rules for Athletes, Coaches, Judges, Meet Personnel AND Spectators.

- A. There shall be no more than 20 minutes between the end of timed warm-ups and the start of competition (or the 30-second touch competition warm-up).
- B. Gymnasts should march from event to event, with the squad presenting itself to the Chief Judge.
- EXCEPTION: Competition formats that include continuous rotation DO NOT require a formal march or presentation to the judges.
- C. ONLY competing gymnasts and their coach(es) are allowed on the field of play, and ONLY during the session in which they are competing.
1. At invitationals ONLY, a Meet Director may allow injured/scratched gymnasts onto the field of play ONLY during the session they were scheduled to compete.
2. At Level 9 Easterns/Westerns & Level 10 Nationals, alternates are allowed to be on the field-of-play and join their respective regional team for formal march-in. Alternates must wear their provided warm-ups at all times while on the field-of-play, unless they are called in to compete.

2026 – 2027 RULES & POLICIES
CHAPTER 7 – GENERAL MEET INFORMATION

3. The only additional people allowed on the field of play are those directly involved with the running of the event (e.g., trainers, scorers, flashers, runners, etc.).
 - Unless a child is old enough to act in a volunteer capacity at a competition, attending coaches should make childcare arrangements for their child(ren).
- D. At Level 9 Easterns/Westerns & Level 10 Nationals, a gymnast **MUST** wear her competitive number during the competition.
 - **EXCEPTION:** An athlete is performing a back spin on BB or FX. The coach must show the number to the judges prior to the athlete beginning her routine.
 - 1) If the gymnast refuses to wear the number, a warning would be issued to the coach of the gymnast. If she fails to wear the number at subsequent events, a deduction for inappropriate attire would be applied.
 - 2) At all other meets at which competitor number bibs are provided, the numbers may be worn OR displayed.
- E. At Level 10 Nationals, high school aged athletes are encouraged to wear their competitive number during the training day as well, to assist collegiate coaches in identifying the athletes.
- F. **VAULT NUMBER:** For DEV L6-10 and Xcel Gold - Sapphire Divisions, the Vault number of the vault that the gymnast intends to perform must be visually displayed at any sanctioned competition that utilizes a 4-judge panel. At all other sanctioned competitions, the Vault name OR number may be audibly communicated to the judges.
 - Vault numbers can be displayed using any number of ways, examples: score flashing unit, white board, chalk board, etc.
- G. If a gymnast is injured prior to or during the competition and is unable to compete in all four (4) events, she must present to the Chief Judge and touch the apparatus of the event(s) in which she is unable to compete. By receiving a score of zero or higher, she has the right to continue in the competition.
 1. If the gymnast does not present to the Chief Judge and touch the apparatus on the next event(s), she will be considered as withdrawing (SCRATCHING) from the meet and thus forfeits her right to continue but is eligible for awards on the event(s) she was able to compete.
 2. If a gymnast is injured during the competition and is unable to compete in any additional events, she is not required to "touch" the apparatus on the remaining events. She is, however, still eligible to receive awards on any events completed prior to withdrawing (scratching).
 - It is the coach's responsibility to report any scratches/withdrawals to the attention of the Meet Director and/or Meet Referee, so it is properly recorded in the scoring system.
- H. **SCORING**
 1. Base score will be established at the judges' meeting at Sectional and above competitions with the use of the Technical Committee Base Score videos and script of deductions.
 2. It is recommended that each judge must either independently input their score electronically or submit the score in writing on a separate score slip.
 - a. If only one (1) keypad is available per event, both judges must write their own score, and both (or all four) scores should be entered electronically to ensure an accurate average score.
 - b. To ensure accurate results, both Vault scores should be entered into an electronic scoring system, especially at qualifying and championship competitions.
 3. The use of written back-up (in the form of a verification heat sheet) to record the individual judges' scores, neutral deductions, and the final average score is left to the discretion of the:
 - a. Local or invitational meets = Meet Director
 - b. State meets = State Administrative Committee (SAC)
 - c. Regional meets = Regional Administrative Committee (RAC)
 - d. At State meets and above - If a verification sheet is not used, the Chief Judge must document all individual scores, the average score, and any neutral deductions.
 4. **OPEN SCORING:**
 - a. Defined as either electronically flashing each judge's score OR writing each judge's score on each athlete's competitor card.
 - b. **REQUIRED** at:
 - Level 10 Nationals & Level 9 Eastern/Western Championships.
 - c. **ALLOWED** at:
 - 1) DEV & Xcel Regional Championships (to be determined by RAC)
 - 2) DEV Optional & Xcel State Championships (to be determined by SAC)
 - 3) DEV Optional Invitationals (at the discretion of the Meet Director)
 - d. **NOT ALLOWED** at:
 - Any DEV compulsory meet, including DEV compulsory State Championships.
 - e. Procedures for Open Scoring
 - 1) Each judge should independently determine his/her score.
 - 2) Each judge should record the Start Value and final score on their judging sheet. If using electronic entry, only the score is entered.
 - 3) After the Chief Judge receives all judges' scores, each individual judge's score is then flashed on the score-flashing unit.
 - 4) If the score is changed because of a conference, the adjusted score should be re-flashed as a "Corrected Score".

2026 – 2027 RULES & POLICIES
CHAPTER 7 – GENERAL MEET INFORMATION

5. START VALUES

- a. REQUIRED to be either flashed or written on the competitor's card for DEV L6-10 and all Xcel divisions at all sanctioned competitions.
- b. Procedures for flashing Start Values:
 - 1) Each judge should independently determine a Start Value.
 - 2) The Start Value and the final score should be recorded on their judging sheet.
 - 3) Each judge should flash the Start Value on the Start Value flashing unit as soon as the Chief Judge receives ALL judges' scores.
 - 4) Start Values do not have to match. A conference MAY be called to determine if the Start Value needs to be adjusted, either up or down.
 - 5) If the Start Value is changed because of a conference, the adjusted Start Value should be re-flashed.

6. Judges may score in 0.05 increments at all USA Gymnastics sanctioned competitions.

7. A final score of 1.00 (DEV) or 4.00 (Xcel) will be awarded for any routine that would result in a score equal to or less than 1.00 (DEV) or 4.00 (Xcel).

8. VOID VAULTS:

- a. The Chief Judge is required to notify the coach if any judge on the panel voided the Vault performed.
 - b. At State Championships and above, all void (optional) vaults should be unofficially scored, but not submitted, unless a video review is decisive in determining the vault was complete.
9. Once the final average score is submitted to the scoring system, it may not be changed unless an inquiry is submitted and results in a score change.
- a. A Chief Judge may change a score after submission to the scoring system IF a neutral deduction (such as out of bounds or overtime) was inadvertently not applied. This change must occur prior to the end of the rotation. The coach must be notified of the score change and if possible, the new score should be displayed to the public.
 - b. If a judge realizes that a gymnast was mistakenly judged using the incorrect rules for her level, the routine may be re-evaluated using the appropriate rules to determine the correct Start Value and specific compositional deductions, based on the judges' shorthand. This re-evaluation must occur within 5 minutes of the end of the competition for that session. The judging panel must notify the Meet Referee and the scoring personnel that the re-evaluation is to occur. The coach must be notified immediately of any score change.
 - c. If there is a clerical error when entering scores electronically, the score may be officially changed by the end of the session.
 - d. At State Championships and above: In extenuating situations, the Meet Referee has the authority to allow a judging panel to review a routine to verify that Special Requirements were fulfilled and restricted elements were NOT performed. The coach must be notified that a review will occur. No additional deductions are allowed to be taken by a judge after the review if the Special Requirement(s) in question is (are) awarded.

10. Individual Event Finals Score: rankings determined during the Optional AA competition at Invitational meets.

- a. The format and qualification procedures for any finals competition is determined by the Meet Director and must be published in advance.
- b. There are no Individual Event Finals conducted in any DEV Championship competition.

11. All-Around (AA) Score: total score for the four (4) events for DEV L1-10 and all Xcel divisions

12. Team Score

- a. For invitational meets - the method used to calculate the team score must be described clearly in the meet information.
- b. For Pre-Sectional Qualifiers, Sectionals and State club/team competitions, the SAC shall determine the method used for determining team score. Some options are:
 - 1) Limit the number of gymnasts on a team and count all scores.
13. EXAMPLE: 6-member team, or 3-member team, all scores count.
 - 2) Specify the number of gymnasts on a team and count all scores but one (1) on each event.
14. EXAMPLE: 6-member team, 5 scores per event count.
 - 3) Allow an unlimited number of gymnasts per team; specify number of scores per event to count.

I. INQUIRY REGULATIONS

1. At all sanctioned competitions, the Meet Director must provide score inquiry forms at a place designated at the coaches' meeting.
2. Coaches are entitled to see all scores of their individual gymnasts. Inquiries may be based ONLY on the following criteria:
 - a. DEV Compulsories - Incorrect elements, evaluation of major elements, falls, neutral deductions or unusual occurrences.
 - b. DEV Optionals - Awarding of Start Value, specific "flat" compositional deductions, falls, neutral deductions or unusual occurrences.
 - c. Xcel – Awarding of Start Value, falls, neutral deductions, or unusual occurrences.
 - d. A flash from a camera is not a valid reason to submit an inquiry, requesting that the routine be repeated.
3. Coaches need to be aware that an inquiry allows for a second evaluation, which may result in:
 - a. no change in score,
 - b. the score being raised.
 - c. the score being lowered.
4. A Meet Referee may watch a video (if available) prior to the submission of an inquiry to determine if that inquiry should move forward. Videos may be reviewed in regular, slow motion or freeze frame.
5. Inquiries must be submitted to the Meet Director OR Meet Referee WITHIN 5 MINUTES OF THE COMPLETION OF THE SQUAD'S COMPETITION ON THAT EVENT.

2026 – 2027 RULES & POLICIES
CHAPTER 7 – GENERAL MEET INFORMATION

6. If, after the completion of the last event, an athlete's AA score is a maximum of 0.10 less than the qualifying score, a coach may submit an inquiry for the gymnast's lowest scoring event for qualification purposes. This is only applicable to the following events:
 - a. State (or Regional) Championships - the coach may submit an inquiry for the gymnast's lowest scoring event in order that the athlete be considered for qualification purposes. Any change of score is official and is included in the final results.
 - 1) Applies only to AA athletes; not applicable to IES athletes.
 - 2) Process may NOT be used:
 - a) for mobility purposes;
 - b) if qualification to the State or Regional meet is by percentage (%) or designated number per age group.
 - b. Level 9 Eastern / Western Championships or Level 10 National Championships - The coach may submit an inquiry for the gymnast's lowest scoring event (regardless of the order in which that event was performed) to achieve the minimum qualification score to Level 9 East/West (34.00 AA), or Level 10 National Championships (35.00 AA).
 - 1) This process only applies to a region that cannot fill all allotted Level 9 or Level 10 age group regional team spots.
 - 2) The additional 0.10 (or less) may NOT be used to advance an athlete ahead of athletes who previously qualified by meeting the minimum score requirement without the adjustment.
7. No fee may be charged to submit an inquiry.
8. After the Chief Judge has completed the response to the inquiry, the Meet Referee or Meet Director will return the form to the coach. The coach may NOT approach the judge regarding the inquiry during the competition.

 - e. To consider floor line violations.
 - f. To consider floor exercise overtime deductions.
 - To submit an inquiry for an overtime deduction, a coach MUST provide a video of the routine in question.

4. The video review process is NOT allowed to be used to appeal a judgment of degree assessment.
 - EXAMPLES: degree of casts, handstands, incomplete turns, direct connection of elements, or leg separation in leaps, timing and degree of twists on Vault, as well as other like skills.
5. The Meet Referee must inform the judging panel that a video review will be initiated as well as the final decision.
6. Once the video review process has been finalized, the judging panel is allowed to review the video.
7. **XCEL VIDEO REVIEW ONLY:**
 - a. At ALL Xcel sanctioned competitions, if a video review results in the awarding of a Special Requirement or Value Part, the judging panel may apply deductions related only to the reason for the video review. NO additional deductions for execution may be applied.
 - b. At Xcel State meets and above, a video review may be used to evaluate the above assessments that would affect the Start Value.

K. JURY OF APPEALS

P. AWARDS

1. The minimum numbers and/or types of awards that must be distributed are listed below. A Meet Director may present more awards, **BUT NOT LESS**, than those listed. A SACC may request that the RACC grant a deviation from these minimum recommendations based on financial conditions of the State Championships. The RAC may choose to deviate from these minimum recommendations based on financial conditions of the Regional Championships.
2. Non-citizens living and training in the United States, who are not current or past members of a foreign national team, may participate in all USA Gymnastics sanctioned events and are eligible for awards.
3. If the draw for sessions is by club teams, awards for all age divisions must be presented at each session.
4. If a gymnast **competes in the wrong age division**, her scores are invalid for the meet (may not be used for All-around, individual events or team awards); however, the score achieved may be used for level/division mobility.

In this instance, the next US citizen in rank order will be placed on the Development Program National Team.
- c. **ALL XCEL DIVISIONS**
The Meet Director is required to give a **minimum of 40%** of each age division for individual events & in the AA.

 - a) Invitational Meets: The host may determine whether awards are based on achievement, placement, or a combination of both, provided the minimum 40% award requirement is met.

 - 2) **Gold, Platinum, Diamond & Sapphire**
 - Placement awards must be presented for individual events and the All-Around (AA) at all meets.

6. COMPETITIONS WITH INDIVIDUAL EVENT SPECIALISTS (IES):

Whenever IES are included in a competition, the IESs compete and are ranked amongst the AA competitors. However, if there is a tie between an IES and an AA athlete, the tie is NOT broken - both athletes would receive identical awards.

Example - Vault:

- a. First place athlete's score is 9.40.
- b. Next highest score is 9.30, earned by two athletes - one competing in the AA and the other competing as an IES. This tie is not broken; both gymnasts receive the 2nd place award.
- c. The next highest scoring athlete earns a 9.20 and would then receive the 4th place award.

7. TEAM AWARDS

- a. Team awards are determined by the SAC for sectionals through State Championships and by the RAC for Regional Championships.
- b. Club team competition at Dev Regionals, Level 9 Eastern/Western Championships, and Level 10 Nationals is **NOT ALLOWED**.
 - Xcel only – Club team awards may be presented at Regional Championships (at the discretion of the RAC).
- c. State and/or Regional Team competition

 - 2) Xcel Regional Championships: State team awards may be presented (at the discretion of the RAC).
- d. Level 9 Eastern/Western Championships and Level 10 National Championships: refer to Dev chapter for specifics
- e. Xcel ONLY – should be awarded for each division. Divisions should not be combined for team awards.
 - If a state does not have enough gymnasts in one or more divisions to have a team competition, divisions may then be combined for team awards. To do this, the SACC must request permission from the RACC.

8. AWARD TIE BREAKING SYSTEM

This system is to be used when AWARDING TROPHIES OR ENGRAVED MEDALS. It may also be used when awarding ribbons; however, if financial conditions permit, it is strongly recommended that duplicate awards be presented.

a. **RECOGNITION OF TIED GYMNASTS**

- 1) If there is a tie for 1st place, BOTH GYMNASTS are champions and should be announced as such, although one will receive the 2nd place award if duplicate awards are not possible.
- 2) In the case of ties for other places, the gymnasts will be announced as being tied for that rank; however, the tie-breaking procedure determines which gymnast receives the higher award, if duplicate awards are not given.
- 3) All gymnasts who tie for a place receive an award. When there is a tie for the last place awarded, the tie-breaking procedure is used to determine which gymnast will receive the award that day. Duplicate awards should be sent, within one month, to the remaining tied gymnasts.

2026 – 2027 RULES & POLICIES
CHAPTER 7 – GENERAL MEET INFORMATION

b. DISTRIBUTION OF AWARDS (Example w/ 1st place tie):

- 1) Award the 1st place medal by one of the tie breaking procedures.
- 2) The 2nd place medal is then presented to the tied gymnast.
- 3) There is NO 2nd place ranking.
- 4) The 3rd place medal is then presented to the next gymnast, and so on.

c. TIE-BREAKING PROCEDURES FOR PRESENTATION OF AWARDS

For meets that cannot provide duplicate awards for placement, the tie-breaking system should be used. However, whenever there is a tie, the computer should be programmed to skip the next place (example - tie for 1st place: both gymnasts are recognized as 1st place winners, with one gymnast receiving the gold, the other silver based on the tie-breaking procedure. The next highest scoring gymnast receives the 3rd place award, and no 2nd place award is presented.)

1) TIES IN THE ALL-AROUND

- a) The gymnast with the highest individual event score receives the award for the tied place.
- b) If the gymnasts are still tied, then the gymnast with the second highest individual event score receives the award.
- c) If the gymnasts are still tied, then the gymnast with the third highest individual event score receives the award.
- d) If the gymnasts are still tied, the gymnast with the highest combined Chief Judge scores (from all four events) receives the award.
- e) If the gymnasts are still tied, then the flip of a coin in the presence of both coaches will break the tie for the award.
- f) At Level 9 Eastern/Western Championships, Level 10 National Championships, Elite Challenge, and Classic competitions, athletes tied in the All-around will receive duplicate awards. However, for the purpose of presenting awards, use the above criteria, if necessary. The gymnast receiving the lower place award will be sent a duplicate award, if not available at the competition.
 - At Level 10 National Championships, if there is a tie for 4th place All-around, both (all) tied athletes will qualify to the Development Program National Team.

2) TIES IN THE INDIVIDUAL EVENTS

- a) The gymnast with the highest All-around total receives the award for the tied place.
- b) If the gymnasts are still tied, then the flip of a coin in the presence of both coaches will break the tie for the award.
- c) At Level 9 Eastern/Western Championships, Level 10 National Championships, Elite Challenge, and Classic competitions, athletes tied in an individual event will receive duplicate awards. However, for the purpose of presenting awards, use the above criteria, if necessary. The gymnast receiving the lower place award will be sent a duplicate award, if not available at the competition.
 - Whenever there is a tie, the computer should be programmed to skip the next place.

3) TIES AT INDIVIDUAL EVENT FINALS (NEW LIFE) AT INVATIONALS

- a) The gymnast with the highest preliminary score on that event receives the award for the tied place.
- b) If still tied, then the gymnast with the highest AA score from the preliminary competition receives the award for the tied place.
- c) It is recommended that tied gymnasts receive duplicate awards. Use the above tie-breaking criteria if duplicate awards are not given for financial purposes or if duplicate awards are not available at the competition. The gymnast receiving the lower place award should be sent a duplicate award, if not available at the competition.

4) TIES IN TEAM SCORE

- a) The team with the highest team score on a single event receives the award for the tied place.
- b) If still tied, the team with the next highest team score on an event receives the award for the tied place.
- c) If still tied, continue to the next highest of the events.
- d) In case of a tie for last awarded place, both teams are to receive awards. Use the tie breaking procedures to determine which team receives the award that day and send a duplicate award to the members of the other team.
- e) Level 9 Eastern/Western or Level 10 Nationals - If there is a tie for Regional team score, both teams will receive duplicate awards. However, for the purposes of presenting awards, use the above criteria. All gymnasts on the team receiving the lower place award will be sent a duplicate award.
 - In the case of a tie for the overall Regional Team Champion award, both regions will be announced as co-champions.

CHAPTER 8 – XCEL PROGRAM

CHAPTER 8 – XCEL PROGRAM

I. OVERVIEW

The USA Gymnastics Xcel program was developed as an alternative competitive program offering individual flexibility to coaches and gymnasts. The GOAL of Xcel is to provide gymnasts of varying abilities and commitment levels the opportunity for a rewarding gymnastics experience. The program allows a wide choice in skills to meet requirements so selection may be based on an individual athlete's strengths. The Xcel program's PURPOSE is to provide competitive opportunities for all athletes, regardless of their age, ability level, or training commitment in terms of hours and/or finances. The FOCUS of the Xcel program is sportsmanship, leadership, teamwork, and fun. The EMPHASIS in the Xcel program is on correct technique, form, and performance.

An Xcel COMPETITIVE YEAR is defined as the period from August 1 through July 31. A COMPETITIVE SEASON is defined as that period from the first designated qualifying competition through the culminating Championships at each division.

- A gymnast may compete in a maximum of two (2) State Championships per competitive year (one per season), either at the same or higher division.

The XCEL program includes six competitive Divisions – Bronze, Silver, Gold, Platinum, Diamond, and Sapphire. Xcel competitions are conducted throughout the United States and are organized by the USA Gymnastics State (SAC) and Regional (RAC) Administrative Committees.

- A. If a gymnast has never competed in the USA Gymnastics Development Program Levels 1-10 and wishes to compete in any division of the Xcel Program, she will need to register as an Athlete Member to participate.
- B. If a gymnast already has an Athlete Membership she is not required to change or purchase a new membership for Xcel. However, she must change to her appropriate Xcel division. This can be done on the athlete profile online through USA Gymnastics.
- C. Athletes competing in both Xcel and the Development Program in the same competition year must have the appropriate Xcel division OR Development Program level box checked on their athlete profile before participating in a sanctioned USA Gymnastics competition.

A gymnast is not required to compete in the All-Around. If she chooses not to compete in the AA, she must touch the event(s) she is NOT competing. Her scores may count towards team scores.

II. ENTRY INTO THE XCEL DIVISIONS

- A. Gymnasts currently competing in the Xcel program must follow the XCEL mobility chart.
 - Any gymnast who has not reached the Minimum Age Requirement for Xcel Sapphire may petition for entry into Xcel Sapphire by submitting a petition to the Regional Xcel Committee Chair (RXCC) and the National Xcel Committee Chair (NXCC). The petition must be accompanied by a video that demonstrates her skill level.
- B. Gymnasts who have no previous competitive experience may enter the XCEL program at the Bronze, Silver, or Gold division, at their coach's discretion.
- C. Any athlete who has previously competed in the Xcel Program but has been inactive for one (1) or more years, must contact their SACC for proper entry regulations. The options are:
 1. Remain in the division at which they last competed.
 2. Move up one (1) division IF they achieved the mobility score during their last season.
 3. Move down one (1) division without petitioning.
- D. Any gymnast who has had previous competitive experience in programs outside USA Gymnastics must petition to enter at Platinum and above by submitting a formal written request to the SAC.
- E. Any gymnast who has had previous competitive experience in USA Gymnastics AND who is a minimum of 14 years of age (or at least a Freshman in High School) is eligible to petition for entry into Platinum, Diamond, or Sapphire by submitting a formal written request to the SAC.
 - The petition must be accompanied by a video that demonstrates her skill level.
- F. Athletes (US citizens or non-US Citizens) who have resided outside the US, have competitive experience outside the US, and now reside in the US, are eligible to petition by submitting a formal written request to the RXCC for entry into the Xcel Program at Platinum, Diamond, or Sapphire.
 - The petition must be accompanied by a video that demonstrates the skill level for which she is submitting the petition and proof of residency outside the US.
- G. Athletes who are limited in the number of events in which they can perform due to a permanent physical handicap (verified by a physician) may petition to qualify to higher division by achieving an average score equal to the average of the All-around qualifying score for that division.
- H. The Xcel program is an alternative/separate program, IT CANNOT BE USED TO SATISFY MOBILITY REQUIREMENTS IN THE DEVELOPMENT PROGRAM

 - XCEL Platinum, Diamond, and Sapphire divisions
 3. These reasons would include injury, illness, or other extenuating circumstances that would have prevented the athlete from continuing to train at the level at which she had previously competed.
 4. If a valid reason does exist, the athlete would be able to drop back only one (1) XCEL division.
- D. If a DEV athlete wishes to enter the Xcel Program in a division below the allowable division (as per the mobility charts), her coach may submit a "reason for change" petition to:

- D. A current Xcel gymnast who competed in the same division the previous year and competed in the previous year's Regional Championships (and fulfilled the qualification requirements or achieved a score equal to or greater than the current year's respective State Championships qualifying score) may directly enter the current year's State Championships in her respective division.
- E. Any athlete who has qualified to a State or Regional Championships will be allowed to participate if they can perform at least 1 event. In this case, they must present and touch each apparatus to receive a score of "zero" at the events in which they are unable to compete. The scores received by this individual may also contribute to the team score.
- F. **ENTRIES, FEES AND DEADLINES – XCEL STATE**
 - 1. Entries must be postmarked a minimum of 14 days (or as per SAC guidelines) prior to the first day of competition. A maximum fee of \$50.00 per individual entry will be charged to individuals whose entry is received after the deadline or if entry is completed improperly.

- C. If there is an insufficient number of athletes who achieved the qualifying score, the RAC may guarantee up to 120 gymnasts to Regional Championships.
- D. If the number of athletes in one age division requires that two sessions of competition be conducted, the Meet Director shall conduct a random draw by team to fill the sessions.
- E. State team competition may be conducted as a separate competition (with a designated number of athletes qualifying by rank order) or as part of the individual competition in which each state designates which individual's scores will count toward the State team score.

CHAPTER 8 – XCEL PROGRAM

H. QUALIFICATION

1. Qualification through Regional Competition:

- a. Athletes qualify through their respective Regional Championship meet with each region receiving the same number of qualification spots for each Division.

Division	Number of Qualifiers Per Region	Total Athletes (All Regions combined)
Platinum	Top 100 + ties for final spot	800 (+ ties for final qualification spot)
Diamond	Top 100 + ties for final spot	800 (+ ties for final qualification spot)
Sapphire	Top 20 + ties for final spot	160 (+ ties for final qualification spot)

- b. Ranking: Athletes are ranked by All-Around score (regardless of age group) from high to low for each Division. Athletes competing fewer than four (4) events will be ranked based on the sum total of all events competed.
 - 1) Ties are not broken for the final qualification spot.
 - 2) There is no minimum score for qualification.
- c. The RACC will determine the process for their respective Region for athletes that wish to decline a qualification spot and do not intend to compete in the National Xcelebration. These athletes would be excluded from the rankings and the final list of qualifiers (submitted by the RACC the Wednesday following the respective regional meet).

I. REPLACEMENTS/PETITIONS

1. THERE ARE NO:

- a. Petitions;
- b. Injury replacements

2. **EACH REGION RACC** is allowed to replace (if needed) up until the RACC reports the final list of qualifiers (due the Wednesday following the conclusion of the respective regional meet). After that time no further replacements will be allowed.

3. **REGION UNABLE TO UTILIZE ALL QUALIFICATION SPOTS:** If a Region is unable to use all eligible qualification spots the following process will be used:

- a. The remaining unused spots will be reallocated to other Regions. Priority for reallocation will be based on the number of participants by Region in the applicable Xcel Division using data from the previous competitive year as pulled from the USAG national database.
- b. Regions will be ranked from highest to lowest for the applicable Division based on number of participants at that Division with spots allocated beginning with the highest region first.
- c. Allocation Process:
 - 1) The RACC of the Region that does not use all of its allocated spots will notify the Meet Director and the NACC when qualifiers are submitted.
 - o This notification will trigger the reallocation.
 - o That Region will not receive any reallocated spots for that Division.
 - 2) The first reallocated spot will go to the Region with the highest number of participants in that Division among the remaining Regions. The Region will qualify the next highest-ranked athlete.
 - o This may include an event specialist based on the total score of all events competed.
 - o If there is a tie for the qualifying spot, all tied athletes will qualify.
 - o The number of athletes added from that region will be deducted from the total spots available to be filled.
 - 3) If spots still remain, the next reallocated spot will go to the Region with the next highest number of participants using the same process.
 - 4) The process then continues in the same manner until all available spots have been filled.
 - 5) If more than one Region has unused allocated spots, the available spots will continue to be distributed in order of Regional participation. Once all Regions have been considered, the process will start again with the Region that has the highest participation.
 - 6) If there is a tie for the final available spot, all tied athletes will qualify.

Example: Region 1 only has 95 athletes who qualify at Diamond out of 100 spots available.		
Region	Spots Used	Spots Available
Region 1	Used 95 spots of 100 available.	5 spots available.
Region 6 (Highest Diamond participation based on previous year's participation data)	Next athlete to qualify was a tie between 3 athletes. All 3 qualify	5-3=2 spots remaining
Region 8 (Next highest Diamond participation)	Next athlete qualifies (No tie)	2-1=1 spots remaining
Region 7 (Next highest Diamond participation)	Next athlete to qualify was a tie between 2 athletes. Both qualify.	1 spot available Both athletes will qualify due to tie.

- J. **REPORTING OF QUALIFIERS FROM REGIONAL MEETS:** Complete results and the names of National Xcelebration qualifiers from each respective Regional meet must be sent by the RACC or their designee by email to the Meet Director no later than the Wednesday following the respective Regional meet. Information should include:

CHAPTER 9 - DEVELOPMENT PROGRAM

CHAPTER 9 – DEVELOPMENT PROGRAM

I. OVERVIEW

The Women's Development Program (formerly known as Junior Olympic or JO) was created with the belief that all athletes, regardless of their potential, must have a solid foundation of basic skills to advance safely. The program allows the gymnast to advance at her own pace, competing in more than one level in a year if she so chooses. Development Program sanctioned competitions are conducted throughout the United States.

A competitive **YEAR** is defined as the period from August 1 through July 31. A competitive **SEASON** is defined as that period from the first designated qualifying competition through the culminating Championships at each level.

- A gymnast may compete in a maximum of two (2) State Championships per competitive year (one per season), either at the same or higher level.

The Development Program is divided into three major segments: developmental, compulsory, and optional. Athletes must advance one level at a time by scoring the minimum mobility score at any USA Gymnastics sanctioned competition (Exception: DEV Levels 1-3 do not have a mobility score).

- A. DEVELOPMENTAL - Levels 1 through 3.** These levels may be used as a non-competitive and achievement-oriented program for use within a gym's pre-team program, or they may be used as an introductory/recreational competitive program. Some states may have an organized Level 1-3 competitive program with sanctioned events and offer State Championships for these levels. Contact the SACC for information on scheduling, judging criteria, etc.
1. In-gym or inter-club testing.
 2. Equipment should accommodate the size of the gymnasts.
 3. Gymnasts must enter at the level as determined by their birthday but may progress through the events and skills at different levels.
- B. COMPULSORY - Levels 4 and 5.** Both levels are progressive in nature, building upon the skills required at the previous level. Competitive opportunities are provided up to and including the USA Gymnastics State Championships.
- C. OPTIONAL - Levels 6-10.** Levels 6, 7, 8, and 9 have difficulty restrictions, while Level 10 has no restrictions in the skill choice. Composition is evaluated at Levels 8, 9, and 10. Refer to the Development Program *Code of Points* for a complete explanation of Level 6-10 rules.
1. Levels 6 and 7 have competitive opportunities up to and including State and possibly Regional Championships, depending on the needs of each Region.
 2. Additional competitive opportunities are provided for Levels 8-10, with the Level 10 competitive season culminating at the Development Program National Championships, Level 9 at the Eastern or Western Championships and Level 8 at the Regional Championships.

III. ENTRY INTO THE DEVELOPMENT PROGRAM (DEV) LEVELS

- A. Athletes whose competitive experience has been in any system (including USA Gymnastics' Xcel Program) must enter the Development Program at Level 4 or below.
- B. Any athlete who has previously competed in the Development Program but has been **inactive for one (1) or more years**, must contact their SACC for proper entry regulations. The options are:
 1. Remain at the level at which they last competed.
 2. Move up one (1) level if they achieved the minimum mobility score during their last season.
 3. Move down one (1) numerical level, without petitioning.
- C. Any gymnast who has had previous competitive experience other than USA Gymnastics but including USA Gymnastics Xcel program, and who is a **minimum of 12 years of age** is eligible to petition for entry into Level 7 and below by submitting a formal written request to the SAC. The petition must be accompanied by a video that demonstrates her skill level.
- D. Any athlete who has prior competitive experience in the Development Program, competes in State Meet in an alternative program (e.g. Xcel or other organization), must submit a petition to **RE-ENTER** the Development Program at the level they are eligible to compete.
 1. Levels 5 – 8: Petitions must be submitted to the SAC.
 2. Levels 9 – 10: Petitions must be submitted to the RAC.
- E. Athletes who are limited in the number of events in which they can perform due to a **permanent physical handicap** (verified by a physician) may submit a formal written request to qualify to a higher level by achieving an average score equal to the average of the all-around qualifying score for that level.
 - Petitions for Levels 8 and below must be submitted to the SACC, with final approval determined by the SAC. For Levels 9 and above, petitions must be submitted to the RACC, with final approval determined by the RAC.

CHAPTER 9 - DEVELOPMENT PROGRAM

IV. DROPPING BACK THROUGH THE DEV LEVELS

- A. DECLARATION DATE:** The SAC (State Administrative Committee) **MAY** determine prior to the beginning of the competitive year, a designated "declaration date".
1. The program (DEV or XCEL) competed first after the "declaration" date will determine that athlete's program (DEV or XCEL) for the remainder of that season.
 2. Once a gymnast has competed in a sanctioned event past the declaration date, she may NOT drop back to a lower DEV level in the same competitive season.
- B.** If a gymnast **DOES NOT QUALIFY TO THE STATE CHAMPIONSHIPS**, she may petition to drop back one (1) DEV level at the beginning of the next competitive season by submitting a formal written request to:
1. The SACC, with the final decision determined by the SAC.
 - DEV Levels 8 and below
 2. The RACC, with the final decision determined by the RAC
 - For DEV Levels 9 – 10
- C.** Once an athlete **COMPETES IN STATE CHAMPIONSHIPS**, she is not allowed to drop back without sending a reason for change petition to:
1. The SACC to be considered by the SAC
 - DEV Levels 7 and below (*EXCEPTION:* Mobility is allowed between Levels 5 and 6 without going through the petitioning process)
 2. The RTCC to be considered by the RAC.
 - DEV Levels 8 – 10
- D.** These reasons would include injury, illness, or other extenuating circumstances that would have prevented the athlete from continuing to train at the level at which she had previously competed.
- If a valid reason does exist, the athlete would be able to drop back only one (1) DEV level (i.e., competed Level 8, permission to drop back one numerical level to Level 7).
- E.** If a DEV athlete wishes to enter the Xcel Program in a division below the allowable division (as per the mobility charts), her coach may submit a "reason for change" petition to:
1. SACC for approval – DEV Level 8 or below
 2. RTCC for approval – DEV Level 9 or 10
- F.** A US Elite gymnast (an athlete who has competed as a Junior or Senior International Elite in a Classic Meet, Junior World Trials, or higher) who wants to enter the Development Program **MUST** petition to drop back to the Development Program, regardless of the year of competition. Her coach must complete the Elite Drop Back Petition form and send to the NPDC.
1. Petitions **MUST** be received at least three (3) weeks prior to the Level 10 State Championships.
 2. The NDPC will review the petition. The NDPC will notify the coach of the acceptance/denial of the petition and will copy the respective SACC and RACC and the RTCC.
 3. Accepted petitioned athletes may not re-enter the Elite/Pre-Elite Program during the Elite competitive year (through Championships of the year in which she competes Level 10).
 4. Clarification: An elite athlete dropping back into the Development Program is considered a DEV athlete when she enters her first USA Gymnastics sanctioned event as a Level 10 athlete **AFTER** the petition has been granted.
 5. All scores obtained before the petition is granted are **INVALID** for qualification to State Championships and above in the current season.
- G.** Any gymnast who competed at the Pre-Elite level (at a Regional or National qualifier and/or Challenge competition) may choose to compete as a Level 10 in the following season, since she is considered as a Pre-Elite athlete. No petition is necessary.

F. Based on the best interest of the gymnast's safety, it is permissible to adjust the High Bar and/or Low Bar to a height which exceeds (or is lower than) the FIG specifications. Regardless of the measurement, the rails **MUST** be adjusted only to a position that locks-in with a duallocking mechanism that meets the manufacturer's recommended safety parameters.

G. The distance (spread) between the Bars may be set to the preference of the athlete, provided that after such adjustment, the Bars remain within the allowances identified by the manufacturer of the apparatus.

H. For equipment that has a slider mechanism on both Bars, it is strongly recommended that the low bar slider remain in the highest position, and that adjustments are made only with the high bar slider. This will expedite changing of bar sets during competition.

- NOT allowed for mounts, dismounts or landings.
- Allowed for “C” and more difficult bar releases performed in the Diamond and Sapphire Divisions **ONLY**.

L. Uneven Bars set up over a loose foam pit is **NOT ALLOWED FOR COMPETITIONS**, unless the entire area (mount / dismount) is covered by a stable (wooden or metal) surface.

- EXCEPTION:** Uneven Bars set up over a Resi pit is allowable if the landing surface is deemed firm by the Meet Referee and Meet Director prior to competition.
- All competition matting specifications must be met when utilizing either of these options.

VIII. BALANCE BEAM

A. REQUIRED AREA TO BE MATTED:

BEAM: REQUIRED AREA TO BE MATTED WITH CLMs		
Area	Levels / Divisions	Required Dimensions
Each End of Beam	DEV Levels 1–4 XCEL Bronze, Silver, Gold	6 feet x 12 feet
	DEV Levels 5–10 XCEL Platinum, Diamond, Sapphire	7½ feet x 12 feet
Under the Beam	DEV Levels 1–4 XCEL Bronze, Silver, Gold	12 feet x 15½ feet
	DEV Levels 5–10 XCEL Platinum, Diamond, Sapphire	15 feet x 15½ feet

1. For competitions held in an outside facility, the area to the right and left of the Beam dismount area must be padded with a minimum of 4' feet by 4' feet of padding. Acceptable padding options include (but not limited to) unfolded panel mats, carpet bonded foam, or other such matting.
 - a. The matting must extend a minimum of 4' feet out from the side edge of the beam dismount area and extend a minimum of 4' feet from the end of the under-Beam matting.
 - b. Every attempt should be made to match the height of the CLM base matting to remove the possibility of athlete injury from uneven surfaces.
 - c. The padding should be attached (with Velcro or something similar) to the floor surface (concrete, foam, carpet, etc.) to avoid separating or slipping. An Example of the additional matting at the corner is shown below:

B. MATTING REGULATIONS FOR MOUNTS

An athlete may stand on any of the mats including supplemental matting (except the pillow mat) to mount the beam. This includes the use of all approved devices may be placed on any of the matting or supplemental matting (except on top of a pillow mat) for mounting the beam.

- C. **ALL DEV LEVELS** and **ALL XCEL DIVISIONS** may use the Beam at any height, regardless of age division; however, the height **MUST** be within a minimum of 100 cm (± 1 cm) and a maximum of 125 cm (± 1 cm).
 - Height specifications - measured from the floor to the top of the Beam.
- D. At all sanctioned competitions:
 1. The Beam legs **MUST** be placed on the floor or a stable surface.
 - It is strongly recommended that the entire mounting area be level.
 2. Beam **MUST** be adjustable.
 3. Beam is **REQUIRED** to be padded.
- E. Beams with a “spring” mechanism are allowed.
- F. It is strongly recommended that padding for the Beam uprights and bases be used, if available from the manufacturer.
- G. Supplemental Matting: If available (not required): Maximum of nine (9) inches using sting mats, 4-inch throw, and/or 8-inch skill cushions may be placed on top of allowable CLMs in **ALL** matted areas (under the Beam and/or dismount area).
- H. A Balance Beam set up over a loose foam pit is **NOT ALLOWED FOR COMPETITIONS**, unless the entire area (mount / dismount) is covered by a stable (wooden or metal) surface.
 1. **EXCEPTION:** A Balance Beam set up over a Resi pit is allowable if the landing surface is deemed firm by the Meet Referee and Meet Director prior to competition.
 2. All competition matting specifications must be met when utilizing either of these options.

2026 – 2027 RULES & POLICIES WOMEN'S PROG

IX. FLOOR EXERCISE – APPLICABLE TO BOTH DEVELOPMENT AND XCEL PROGRAMS

- A. FIG specifications: 12 meters X 12 meters (39 feet 4 7/16-inch X 39 feet 4 7/16 inch).
 1. The measurement is from the outside of the tape or where the carpet changes color.
 2. The Development Program uses FIG specifications for **LEVELS 6–10**.
 3. The Xcel Program uses FIG specifications for Gold, Platinum, Diamond, Sapphire Divisions.
- B. A tumbling strip (minimum of 8 feet wide and 56 feet long) may be used for competition for:
 1. **DEV LEVELS 1-3**
 2. **XCEL BRONZE & SILVER DIVISIONS.**
 3. If only a strip is available, the Meet Director **MUST** indicate this in the pre-meet information.
- C. When a tumbling "strip" is used in place of a full Floor Exercise area in the training and/or warm-up gym, it **MUST** be constructed of the same materials as the spring floor used in the competition gym and **MUST** be a minimum of 8 feet wide and 56 feet long. A minimum of 3 feet in length of additional padding (carpet bonded foam or something similar) is **REQUIRED** at each end of a 56 feet tumble strip that is used for warm-up.
- D. Rebound or spring type floors are **REQUIRED** for **DEV LEVELS 8-10** and **XCEL PLATINUM, DIAMOND & SAPPHIRE** competitions.
 - It is strongly recommended that a spring type floor also be used for **DEV LEVEL 7 AND BELOW** and **XCEL BRONZE, SILVER & GOLD DIVISIONS.**
- E. The floor surface **MUST** be a minimum of 1¼ inch thick (3.2 cm) to a maximum of 7½ inch thick (19.05 cm) $\pm$ ½ inch.
- F. If carpeting is used, 3.2 cm (¼ inch) pile is maximum height recommended.
- G. The top of the mat **MUST** be joined into one continuous level surface.

- H. When the Floor Exercise carpet has two colors to distinguish the border rather than a solid color with taped boundary lines, it is allowable to place small pieces of tape (of the same color as the floor area carpet) at the inside corners of the boundary to assist the gymnast's awareness of the boundary.
- I. For competitions held in outside facilities with the below athletes, the outside of the floor corners **MUST** be padded.
 1. **DEV LEVELS 6-10**
 2. **XCEL PLATINUM, DIAMOND & SAPPHIRE DIVISIONS**
- J. To protect the gymnast if they go beyond the dimensions of the Floor Exercise mat, the outside corners **MUST** be padded with unfolded panel mats or other such matting or carpet-bonded foam, a minimum of 3.5 cm/1³/₈ inches high.
 1. The matting **MUST** extend a minimum of five (5) feet out from the edge of the boundary line and extend a minimum of six (6) feet from the corner (where boundary lines meet) down each side of the Floor Exercise area.
 2. The corner padding should be attached (with Velcro or something similar) to the floor, foam, or carpet to avoid separating or slipping. An example of the additional matting at one corner is shown below:

2026 – 2027 RULES & POLICIES WOMEN'S PROG

K. ADDITIONAL MATTING ON FLOOR EXERCISE:

1. **ONLY TWO (2) SUPPLEMENTAL MATS MAY BE UTILIZED PER FLOOR EXERCISE ROUTINE.**

2. Allowable matting includes;

THROW MATS x2 - REQUIRED TO BE PROVIDED BY MD	1. 2x throw mats are allowed to be used during the routine. 2. 1x throw mat per tumbling pass may be used for take-off and/or landing. 3. May be stacked on top of each other for a single tumbling pass.
STING MAT x1 - REQUIRED TO BE PROVIDED BY MD	1. May be used for take-off and/or landing. 2. If using in addition to supplemental matting - MUST BE UNDER OR ON TOP - Only if placed under or on top of supplemental matting: STING MAT DOES NOT COUNT AS ONE OF THE TWO (2) ALLOWABLE MATS.
SKILL CUSHION - NOT REQUIRED TO BE PROVIDED BY MD	1. May be used if available - If using a skill cushion, may only use one throw mat in addition. 2. A skill cushion may be used separately or on top of a sting mat only. May not be stacked on top of a throw mat.

3. If the area **covers any portion of the boundary line(s)**, the mat **MUST** be clearly marked. The following are allowed to be used, but must be removed before the next competitor:

- a. Athletic tape (provided by coach)
- b. Chalk
 - A towel should be provided by the Meet Director to facilitate the removal of the chalk markings.

4. It is acceptable to have both mats on separate ends of a diagonal.

- **EXAMPLE:** an athlete begins her tumbling pass by running over a sting mat, then performs her tumbling pass and lands on a 4-inch throw mat on the opposite end of the diagonal.

5. An athlete may **NOT** utilize the two (2) mats end to end on any one (1) tumbling pass.

- **EXAMPLE:** punch off one (1) mat to land on another.

6. All matting must be in place **PRIOR** to the start of the routine and cannot be added once the routine has started.

- a. A 0.30 unauthorized use of matting deduction will be applied if matting is added **AFTER** the exercise has begun.

7. Mats may be removed during a routine regardless of their placement on the floor exercise area. When removal is required, coach may enter the floor exercise area to remove matting.
